ACKNOWLEDGEMENTS

My Sincere thanks go to the Following Individuals and organisations for their time and assistance that led to the successful completion of this thesis:

**Prof. Dr. T. A. Kadam** my supervisor, for expert criticism and mentorship, for his constant support, stimulating suggestions during the developmental stages of the research and friendly guidance, cannot be quantified in words.

I thank the following from S. R. T. M. University, Nanded for their help, guidance and support: Dr. H. J. Bhosale, Mrs. Kodgire Vasudha and Dr. Atnoorkar A.A., Mr. Karale Mahesh, for their advice in microbiological techniques; Mr. Kondare Dashrath and Mr. Totawad Balaji and Dr. P.B. Wagh in structural elucidation of the antibiotic compound, in NMR analysis, in solvent extraction and purification; My lab mates, Dr. Fahad A., Dr. Ahmed A., Mr. Kadam O., Ms. Sukalkar S. Dr. Bobade A. for their support during the research work; other researchers from various research laboratory of School of Life Sciences, Ms. Deepke U., Ms. Naznin, Dr. Narayan T., and Mr. Phartale N., Dr. Rekkadwad B. and Mr. Tungenwar A. for stimulating criticisms. Thank you all for your friendship, advices, tea breaks and big laughs entertainments in hostel as well as in the laboratory. I thank to everyone in the Department of Microbiology,

I want to thanks to my beloved family: The deepest gratitude I owe to my beloved father **Apparao M. Sawale**, mother **Mathurabai A. Sawale**, Uncle **Ramesh M. Sawale**, aunty **Mangalbai R. Sawale**, sister and Bhaugi Sampata Khandu Katke, and brothers Santosh Sawale, Dattatray Sawale and Sister in law Mrs. Ankita S. Sawale, Mrs. Priya D. Sawale who believed in me and gave me inspiration, encouragement and happily solved the economic problems for
completion of this research work. New emerging generation family members Naresh, Radha, Yogeshwary (Guddi) whom I missed so much during all this time.

My respected Uncle and Aunt, Ganesh Sawale and Shindhubai Sawale respectively, I have no words to thank you for the support and the care that you had for me and gave me a very strong motivation to finish this thesis.

The last but not least special thanks to my beloved wife Mrs. Vishakha

I could not have done this work without a lot of support from my friends specially Mr. Baswaraj Mule, Jyoti Zalte, Gautam Kamble, Adarsh Maske, Chetan Nisale, Amol Hinge, Pirkhan Pathan Thanks a lot to for their constant help shared with me in these years.

I want to Special thanks to UNIVERSITY GRANTS COMMISSION NEW DEHLI, To provide RAJIV GANDHI NATIONAL FELLOWSHIP.

Special thanks to Mrs. Laxmi, Vishnu Chemical Laboratory, Hyderabad and Dr. Ashish Polkhade, NCCS, Pune for chemical analysis and molecular identification of organisms.

Mr. Sawale Ashok Apparao
