ACKNOWLEDGEMENTS

It is a matter of great privilege to have the opportunity to work under the supervision of Prof. P.K. Dabral (M.S.) Professor & Head Department of Orthopaedics, M.L.B. Medical College, Jhansi. It is not possible to express my indebtedness and gratitude for him in words. I remember the numerous fatherly allowances he rendered me by sparing his precious time to go through details of my work providing valuable suggestions.
