PAPERS PUBLISHED BASED ON THIS DOCTORAL WORK

a) Peer reviewed international journal publications.

b) Papers presented / published in International / National Conferences / Seminars

14. Muthu S, Devadasan S.R, Srilakshmi V, Karthikeyan R "Decision support system for designing QS 9000 based maintenance quality system", Souvenir of International Conference on Quality, Reliability and Information Technology (ICQRIT), pp.17. (This Conference was held at New Delhi, India during December 21-23, 2000).

15. Muthu S, Devadasan S.R, Karthy K "Design for maintenance quality through CAD", Souvenir of International Conference on Quality, Reliability and Information Technology (ICQRIT), pp.49. (This Conference was held at New Delhi, India during December 21-23, 2000).

17. Muthu S, Devadasan S.R, Karuppuswamy B "Continuous Improvement of Maintenance Quality through Taguthi's on line Quality Control Method" Proceedings of National Seminar on "Recent trends in Production / Operations Management, pp. 78-82 (This seminar was held at Annamalai University, Tamil Nadu, during January 18-19, 2001).

18. Muthu S, Devadasan S.R, Elangovan D "Developing an information system for strategic Maintenance Quality Engineering " Proceedings of National Seminar on "Recent trends in Production / Operations Management, pp. 86-91 (This seminar was held at Annamalai University, Tamil Nadu, during January 18-19, 2001).

21. Muthu S, Devadasan S.R, Kumaresan T and Ranjith Kumar P, "Maintenance Quality through Human Knowledge Nourishment", 17th National Convention of Mechanical Engineers, Indore (This Convention was organised by Institution of Engineers(India) - Indore Local Centre) during November 26 - 27, 2001).

22. Muthu S, Devadasan S.R, Samson R.N and Sankaran R.A, "Failure prevention through Total Failure Mode and Effects Analysis", 17th National Convention of Mechanical Engineers, Indore (This Convention was organised by Institution of Engineers(India) - Indore Local Centre) during November 26 - 27, 2001).
