Acknowledgement

On this day I try to acknowledge my deepest gratitude from the base of my heart although I terribly face short of expressing my feelings into the poverty of words.

I consider it a privilage to express a deep sense of gratitude & indebtness to my guide Dr. P.K. Jain, M.D. MNAMS, Professor, Department of Medicine, M.L.B. Medical College, Jhansi for the untiring help, able guidance, valuable suggestions, careful supervision provided by him during entire period of this study.

I am really very lucky to have had an opportunity to work under him. It would be not an exaggeration but for his endless patience and above all his affectionate nature, heartening words and his dedication to provide me with every opportunity to learn the subject otherwise I could not have completed this project. Things I have learnt from him will help me through out my career.

In no less degree I express my sincere thanks to my Co-guide Dr. N.S. Sengar, DM (Nephrology) Lecturer, Department of Medicine, M.L.B. Medical College Jhansi. who gave me encouragement, suggestions and close supervisions.
I wish to express my humble gratitude to my esteemed learned teacher Dr. R.C. Arora, M.D, D.Sc. Professor & Head Department of Medicine, M.L.B. Medical College, Jhansi. I am indebted to him for sharing with me his treasure of knowledge and experience.

It gives me great pleasure to express my sincere thanks to Dr. Navneet Agarwal, M.D. Professor, Dr. Praveen Kumar, MD,DM (Cardiology) Professor for their valuable suggestions provided me time to time.

I also pay my respect to my parents for their constant inspiration & blessings.

I also wish to express my heart felt thanks to Mr. Rajendra Kumar Rai (Priyanka Computer Graphics) for his excellent type writing and sincerity which made it possible to present the work in this form.

Finally I thanks all those whose names could not be mentioned here & who helped me at all stages of this work.
