ACKNOWLEDGEMENT

This is my sprit moment of most splendid elation, that having completed this venture, I sit to acknowledge my ever increasing gratitude to people without whose illuminating guidance and inspiring companionship this work would not have been possible in the present form. The present research work entitled "A Study of Queuing Modeling techniques and their Applications in Communication Systems" in fulfillment of the requirement for the award of the Degree of Doctor of Philosophy in Mathematics, is undertaken the very kind supervision of Prof. P.N. Srvastava, Department of Mathematical Sciences & Computer Applications, Bundelkhand University, Jhansi (U.P.). His encouragement, inspirational guidance invaluable suggestions and continued support have enabled me to complete this piece of research.

I wish to express my sincere thank to Prof. V. K. Sehgal, Director, Institute of Computer Sciences and Information Technology and Head, Department of Mathematical Sciences and Computer Applications, Bundelkhand University, Jhansi for providing me all the necessary facilities available at their end. I also wish to express my all sincere thanks to Dr Avanish Kumar, Senior Lecturer, Department of Mathematical, Sciences and Computer Applications, Bundelkhand University, Jhansi for encouragement, inspirational guidance invaluable suggestions and continued support during the period of this research. My heartiest thanks are due to Dr. Alok Kumar Verma, and all Faculty Members & Staff Members, Department of Mathematical Sciences and Computer
Applications, Bundelkhand University, Jhansi for providing all necessary help at their end.

I am very thankful to Prof. M. P. Singh, Head, Department of Mathematics, Gurukula Kangri Vishwavidyalaya, Hardwar, and Prof. Vinod Kumar, Department of Computer Science, Gurukula Kangri Vishwavidyalaya, Hardwar, for their guidance and motivation. My heartiest thanks are due to my dearest senior Dr. P. K. Yadav, Senior Scientist, CBRI, Roorkee, Dr. Anees Ahmed, Jhansi, Dr. Manisha Sharma, Punjab University, Chandigarh, Ms. Monika Saroha, DIT, Dehradun, Mr. Harendra Kumar, Roorkee, Mr. Mr. Saurabh Srivastava, Lecturer, Bundelkhand University, Jhansi, Mr. Dharmdas, Lecturer, Bundelkhand University, Jhansi, Mr. Rahul Makrariya, Lecturer, Bundelkhand University, Jhansi, for their help during my research work. My sincere thanks and regards are due to all faculty members and the administrative staff of this department for their helping nature when I needed their help.
