ACKNOWLEDGEMENT

I express my indebtedness and deepest sense of gratitude to my research guide Dr. S.S. Patil, Head, Department of Environmental Science, for introducing me to the fascinating world of Environmental Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. His broad-based knowledge in this field and science-oriented personality has been essential in this field and encouragement served as a constant inspiration and also for the freedom to work independently during the entire course of this research work will remain symbol of inspiration to me throughout my life.

I am thankful to Prof. M.B. Mule and Dr. N.N. Bandela, Department of Environmental Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for support.

My profound thanks to Dr. S. S. Mokashe, Prof. C. J. Hiware, Dr. A. N. Vedpathak, Dr. G. M. Pondhe and Shri. Dilip Yardi for their vigilant cooperation during my entire experimental work. I am highly thankful to my colleagues Mr. B. J. Dahiwale, Mr. R. R. Matkar and Mr. Jadhvar, V. R. for timely suggestions and creating such nice and fluently functioning working surroundings.

I feel my heart with inexplicably joy to have got this opportunity to express my sincere, heartfelt gratitude to Sau. Sandhya S. Patil, for the encouragement during the said work.

I acknowledge to all members of the non-teaching staff of Department of Environmental Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.

The blessings of my parents Dr. Balkrishna B. Shinde and Sau. Vatsala B. Shinde has always been a source of inspiration to me. The love, encouragement and constant support made this undaunting task, a reality. No words to express my feelings towards my parents, without which it would have been impossible to complete this work, with love and respect, I am dedicating this thesis to them.
I invariably fall short of words to my family for their encouragement and constant support during the research work.

I am indebted to great number of friends for their assistance and encouragement. All my friends are very important to me, giving copious relaxing and never to be forgotten moments. I should not miss this opportunity to thanks for all my friends, have get big heart to bear with me and always inspired me for the completion of my Ph.D. research work.

(Mr. S. B. Shinde)
