ACKNOWLEDGEMENT

It is a great opportunity for me to outburst my indebtedness and express my profound sense of gratitude to my adroit and agile supervisor, Dr. Ram Lakhan Vishwakarma, Reader, Post Graduate Department of Teacher Education, D.V. College, Orai, Bundelkhand University Jhansi and Co-supervisor Dr. R.P. Pathak, Reader, Lal Bhadur Shastri Vidyapeeth, New Delhi, for their meticulous and stalwart guidance, sagacious advice, encouraging attitude, creative suggestions, untiring patience and constructive criticism which have been a source of encouragement for completion of this work.

I would also like to thank Retired Prof. R.P. Bhatnagar, Department of Education, Meerut University, Uttar Pradesh and Retired Prof. L.C. Singh, NCERT, New Delhi for providing all possible assistance for completing my study.

I extend my heartiest thanks to Prof. and Head M. Parikh, Department of Education, Rajasthan University and Dr. R.N. Manav, Reader, Department of Teacher Education, D.V. College, Orai, Uttar Pradesh for their beneficial suggestions during the course of this work. I am also thankful to all the academic and administrative staff of Department of Education, Bundelkhand University, Jhansi, Uttar Pradesh for their cooperation and help at various stages of this work.

With same sense of gratification, I am highly thankful to the experts of Post Graduate Department of Teacher Education, D.V. College, Orai, Bundelkhand University Jhansi and the experts of NCERT and NIEPA, New Delhi and some retired experts who devoted their valuable suggestions which enabled me to develop the research tools.

My grateful thanks to the staff of different libraries like Delhi University, NCERT, NIEPA, NIPCCD, UNICEF and UNESCO for their cooperation and for the facilities they gave me for consulting related study material in preparing this thesis.
I gratefully acknowledge my indebtedness to the principals and teachers of different schools who permitted me for the collection of data. I am also grateful to the community members, students and their parents for their willing participation and cooperation for the collection of data. I avail myself of this opportunity to express my sincere gratitude to my friend Dr. (Mrs.) Surabala Sahoo and my nephew Er. Parveen Kumar for their moral support, unhesitant and timely help to collect required data for conduction this research.

It is a unique privilege to express my veneration to my in laws especially my mother in law, father in law and my loving husband, who deserve more than a written acknowledgement throughout the process of work and who bestowed their pious blessing, incessant encouragement and financial support for my higher academic pursuits. It cannot eschew to mention my warmth thanks to my most loving parents and other well-wishers for their constant inspiration and moral support in completing this job.

Last but not least I bow heartily on the feet of “SHERAN WALI MATA AND SAI BABA” for their unseen force that works behind every success of my life.
