Acknowledgements

I take this opportunity to express my heartfelt thanks and profound gratitude to my guide Dr. Udhav Bhosle, Principal, Rajiv Gandhi Institute of Technology Andheri, Mumbai. I had deep sense of triumph and fulfillment to work with him right from selection of the topic, enhancing my knowledge of Image Processing, nurturing my inclination towards research, correcting me whenever my approach was incorrect. His criticism, valuable suggestions, encouragement and guidance has converted my efforts into a fruitful outcome of this venture. He has been a constant source of encouragement and navigation to me.

I am grateful to Dr. Sanjay Pawar, Principal, Usha Mittal Institute of Technology, Mumbai. Dr. Sunil Kopparapu, Sr. Scientist at Tata Consultancy Services Limited, Mumbai, who have been a constant source of guidance and support to me.

I have no words to thank Dr. B. Krishna Mohan and Dr. Y. S. Rao, Centre of Studies in Resources Engineering, Indian Institute of Technology Bombay, for their valuable suggestions, guidance and support.

I am thankful to Dr. K. T. V. Reddy Principal, Terna Engineering College, for his counseling, administrative support and encouragement during my project work. I am also thankful to Mr. Amol Chavan, Director, Terna Engineering College, for providing me the facilities to enable me to carry out my studies comfortably.

I am appreciative to Mr. D. K. Chitre and to Mr. D.V.Thombre for his valuable technical help and encouragement during research work.

I am highly indebted to my sister, Ms. Shilpa Metkar and brother, Mr. Tushar Metkar for their valuable participation in technical discussions and contribution.

I admire the moral support and cooperation of my family Mr. C. M. Biday, Shubham Biday, Dr. Nitin Gore, Dr. Ganesh Gore, Aai and Kaka.
