ACKNOWLEDGEMENT

It is my great pleasure to express my deep sense of gratitude to Prof. D.L. Pandey, M.D., Ph.D., F.I.C.A.I., Principal, M.I.A.I. Medical College, Jaipur, could spare his precious time from his busy schedule in guiding this research work. His effective encouragement helped me very much to complete this work in due time.

I am extremely grateful to Dr. V.V. Kalashwanti, M.D., Professor and Head, Department of Pharmacology, for his valuable suggestions. He helped me to solve many problems which arose during this work.

I express my heartfelt gratitude to Dr. D.R. M.S.e, M.D., Reader in Pharmacology for his encouraging suggestions about this research work from time to time.

Helpful suggestions of Dr. V.V. Mukmin, M.D., Lecturer, Department of Pharmacology, are very much appreciated. I will remain indebted to him for his immense help in completing this task.

I express my gratitude to Dr. S.R. Nagah, M.D., Lecturer, Department of Pharmacology, and his family, who always gave me time to make the work fruitful. Dr. Nagah also invited me to pursue this research work in to be acknowledged here with gratitude. He discussed each and
every thing with great care and interest.

Thanks are due to Dr.(Mrs.-) Sadhna Kaushik, Dr. Rajesh Gupta, Dr. Pradeep Kumar Dubey, Dr. Anil Nigam, Dr. R. K. Das, Dr. Harish Mittal, Dr. Sunil Gupta, Mr. I.P. Singh, Mrs. Manu Nathani, Mr. Rajeer Gupta, Mr. Arvind Kumar Vaish and Mr. V.S. Khan for their help at various steps in this study.

The help received by Mr. O.P. Shekhawat, Mr. S.K. Gupta, Mr. G.S. Shekhawat, Mr. K.V. Swamistava, Mr. Manohar Lal are worth remembering. Thanks are due to Mr. Laxman Mr. Mangani Rao, Mr. Jai Nath, Mr. Hari Bhai and Mr. Anwar for their assistance.

Typing work of Mrs. P. C. Dahan, Mrs. K.D. Thomas and Miss Shekha P. is to be acknowledged.

Accomplishment of this work could only be possible by affectionate love and constant inspiration from my parents and other family members.

I do not find any reason to apologize for the pain given to innocent animals during this research work for the sake of science.
