ACKNOWLEDGEMENTS

It is a pleasure to record here my deep and respectful gratitude to Dr. Raveendran K., Lecturer (Sl. Grade) Rtd, Dept of Botany, Sir Syed College, Taliparamba under whose supervision and guidance this work was undertaken. Without his invaluable guidance at every stage of my work, the present work would not have been possible. I am deeply indebted to him.

I am indebted to Dr. Borse, B.D. Dept. of Botany, L. K. S. S. V. Dr. Sastha Gogrey College, Dhule, Maharashtra; Dr. Sarma, V. V. Dept. of Life Science, University of Pondicherry, Kalapet, Puducherry; Dr. Sridhar, K. R. Dept. of Bioscience, Mangalore University, Karnataka; Dr. Ka Lai Pang, Dept. of Biology and Chemistry, City University of Hong Kong, Kowloon Tong, Hong Kong and Dr. E.B.G. Jones, BIOTEC, National Center for Genetic Engineering and Biotechnology, Bangkok, Thailand for their unstinted support for providing literature and also for their advice and encouragement.

I am grateful to Ms. Fathima K.S., former Head of Department of Botany, Management and Principal of Sir Syed College, Taliparamba for providing facilities. I greatly acknowledge the help given by Mr. Junaid, P. A., Head of Department of Zoology, Sir Syed College, Taliparamba for his timely help.

I thank the fishermen for their unstinted support and sincere co-operation during the field collection trips. My special thanks also go to Ms. Vineetha and Ms. Bindu for typing the manuscript.

The co-operation accorded to me by the teachers, research scholars and students of Botany Department of Sir Syed College, Taliparamba are also acknowledged with deep gratitude.

Love and blessings of my parents and brothers which inspired my studies are respectfully remembered.

GAYATRI. R. NAMBIAR
