

Acknowledgements

I submit with great pleasure, the thesis entitled “**Some controllable single/bulk service queues**” for the fulfilment of the Ph.D degree. In this occasion, I would like to acknowledge the persons who gave me immense support and help for the completion of the work with in the stipulated time.

First of all, I express my sincere gratitude to Dr. C. Baburaj, supervising guide, whose valuable suggestions and directions throughout the work enabled me to complete this work without difficulties.

Also, I express my thanks to Dr. A. Krishnamoorthy, Department of Mathematics, Cochin University, as well as Dr. M. Manoharan, Head, Department of Statistics, University of Calicut, for allowing me to use the department library and for their wholehearted support, invaluable discussions and suggestions.

I wish to acknowledge my gratitude to the Director of collegiate Education, Thiruvananthapuram and the Principal, Government Brennen college, Thalassery, for granting permission to proceed with the research work.

I would like to thank, the Principal, Government College, Kasaragod and the Head, Department of Statistics, Government College Kasaragod, for providing the facilities for my research work.

I wish to mention with gratitude the support and help rendered by the teachers of the Department of Statistics, N.A.S. College, Kanhangad.

I gratefully acknowledge the University Grant Commission, for the award of F.I.P under X^{th} plan for the completion of Ph.D programme.

Finally, I would like to express my heartiest thanks to the members of my family, colleagues, relatives and friends for the immeasurable encouragement and moral support throughout the work, which in fact gave me the power to finish the work in the present form.

Kannur University Research Center,
Government College Kasaragod,
Department of Statistics,
March 30, 2007.
