ACKNOWLEDGEMENT

I deem it a delightful duty to acknowledge the help and guidance extended to me by the innumerable persons who have been involved in the preparation of this thesis.

First of all, I would like to express my deep and sincere sense of gratitude to my supervisor Dr. K V Pavithran, Reader in Economics & Head of the Department of Economics, Govt. Brennan College, who initiated me to the subject and provided valuable guidance in a helpful way throughout the study. The study would not have taken its present shape without his constant encouragement, sharp comments, suggestions, effort taken to shape the structure of the thesis, endless support during the course of my research study and the discussions that I had with him helped me tremendously in sharpening my focus of study.

I remember with deep gratitude, the valuable help & facilities lavishly extended to me by Smt. P Savithri, Head, P.G. Department of Economics and research centre, for the successful completion of this research work. I am also thankful to other faculty members of the Department of Economics.

The thesis would not have taken its present shape without the help and support that I received from Dr. M Suresh Babu, Associate Professor of Economics, Govt. Brennan College. With great respect I specially express my heartfelt thanks to him for the help extended to me when I approach him and the valuable discussions that I had with him during the analysis of my research work.

My thanks are also due to the respectable faculty in the Dept. of Economics, G.B.C, Sri Falgunan, Sri Sibi, and Sri Sujith.
I am also thankful to the Principal, and the office staff of the Govt. Brennan College, Thalassery.

Let me express my special thanks to Smt. Rekha, Teacher fellow, Department of English for taking the trouble of going through the entire draft of my thesis for language modification.

I also extended my thanks to Mr. Sreeji, Computer Centre, Govt. Brennan College, Thalassery, for his timely help in printing the necessary papers related to my research work.

I place on record my sincere gratitude to the University Grants Commission, New Delhi, for having supported me with the fellowship for doing research for PhD

One of the biggest assets of CDS Library, is not only because of the excellent collections of books, but also the ever helpful staff, I extend my sincere thanks to Library Staff, CDS, Thiruvananthapuram for their honest help in tracing books, which I looked for.

I express my very special thanks to the Library Staff at Centre for Water Resources Development and Management (CWRDM), Kozhikode.

I would never forget the friendly attitude of Library staff and office staff of the Department of Economics, Pondichery University, Mahe.

I would like to thank all the members of the Library Staff of the University Central library, Kannur.

I am indebted to the Health Supervisors, Health Inspectors and other staff of all the Municipalities in Kannur district for furnishing me with all the information required to
work, who have willingly provided me the records/documents required by me. The discussions with them have enriched me very much.

My heart felt gratitude also goes to the house holds of 4 wards of Kannur Municipality. Who have willingly given me all the information required in connection with the study.

I would like to thank all the respondents of the shops of 3 wards of Kannur Municipality. who have willingly provided me all the required information.

I also express my sincere thanks to the Kudumbashree members of all the Municipalities in Kannur district, who have willingly provided me all the required information.

I owe Sajitha, Lisha & Jafna my sister’s friends, CWRDM, Kozhikode for their fruitful help in setting the entire draft.

I am thankful to my friends, Lajina ,Denny Joseph Sindhu,Prameela and teacher fellows Jijikumari and Vandhana for always inspiring me to complete the work with genuine enthusiasm. I express my love and gratitude to all of them.

Words are not enough to express my deepest and sincere gratitude to my parents and my sisters. They stood behind me in every ups and downs of my life. Their trust, love, emotional support and prayers have always encouraged me to go ahead in life.

Let me also place on record my sincere thanks to my husbands family, who have shown a keen interest & support in research work especially my husband Biju Prakash, who extended all possible help to me through out the field survey & the completion of the research work.
I remember with deep gratitude the help extended to me by my beloved father who is the source of inspiration and motivation for me throughout the study, gave me timely help and buy all the equipments whatever I needed to complete my work. He has also accompanied me throughout the field survey, without any difficulty.

I acknowledge with full love and regards to my son Vishnu Prakash who bore with remarkable fortitude my preoccupation with research.

Above all, I would like to thank God, the Beneficent and Merciful for keeping me in Sound health without which I would not have completed the thesis.

In spite of the sincere help being received from various quarters, I am solely responsible for the errors and shortcomings that may be found in this work.
