Acknowledgement

My first word of gratitude must go to Dr. K H Subramanian, my research guide, for his guidance and valuable help. I express my gratitude to the Head and Staff of the University Central Library, Kannur for their kind co-operation. My thanks are due to the Staff of Libraries of Department Library, Kerala University at Karyavattom, University Central Library Palayam, Trivandrum, The Manuscript Library Trivandrum, University Library of Sree Sankaracharya University of Sanskrit, Kalady and Chinmaya International foundation-Veliyanadu and The Library of All India Radio, Kannur. I thank Mrs Prof. A M Kamalam, who helped and encouraged me in many ways to complete my thesis. I thank my colleagues at Dr. P K Rajan Memorial Campus, Nileshwaram, my family and friends for the unreserved support and encouragements.

Jayalakshmi Thazhe Veettil
