LIST OF TABLES, GRAPHS AND PICTURES

Tables

Table 1 : Milestones in child development
Table 2 : Milestones in child language development
Table 3 : Levels of mental retardation
Table 4 : Sampling criteria
Table 5 : Age and IQ of the Cases
Table 6 : Scoring procedure: Strategy I
Table 7 : Scoring procedure: Strategy II
Table 8 : Scoring procedure: Strategy III
Table 9 : Brown’s stages of development
Table 10 : Developmental milestones of the case 1, A
Table 11 : Developmental milestones of the case 2, B
Table 12 : Developmental milestones of the case 3, C
Table 13 : Developmental milestones of the case 4, D
Table 14 : Developmental milestones of the case 5, E
Table 15 : Developmental milestones of the case 6, F
Table 16 : Developmental milestones of the case 7, G
Table 17 : Developmental milestones of the case 8, H
Table 18 : Developmental milestones of the case 9, I
Table 19 : Developmental milestones of the case 10, J
Table 20 : Vowels
Table 21 : Consonant system of Standard Malayalam
Table 22 : Point or place of articulation
Table 23 : MLU count of children
Graphs

Graph 1 : Graphical representation of MLU’s in Cases
