ACKNOWLEDGEMENT

I express my profound gratitude to my guide Dr. S. Gurusamy, Professor and Head, Department of Sociology, Gandhigram Rural Institute for providing me guidance and encouragement to complete the research work in time. I am deeply indebted to his family members for showing concern towards me.

My sincere thanks are due to Dr. T. Karunakaran, Vice Chancellor, Dr. Sundaravadivelu, Registrar, Dr. Susila Kirubaharan, Deputy Registrar, Gandhigram Rural Institute for permitting me to pursue my research work in the Department of Sociology under Faculty Improvement Programme. At this juncture, the help extended by Dr. Dwaraki, the former Professor and Head, Department of Sociology is deeply remembered.

I am thankful to Dr. Kumbharkar, Professor and Head, Department of English for editing my Thesis and shaping my Synopsis. I am also indebted to Dr. Ramachandran, Professor and Head, Department of Economics and Dr. Sumangala, Professor, Department of Economics, Gandhigram Rural Institute for providing valuable suggestion to strengthen my Action Plan.

I express my deep sense of gratitude to Malini Subramani, former Principal of Queen Mary’s College, Mrs. Saraswathi Govingdaraj, Dr. Ananthi, Dr. Prema Gopinath, Mrs. Anusuya, Mrs. Rajalakshmi, Mrs. Prabha and Mrs. Kalavathi, my beloved professors and friends, Department of Sociology, Queen Mary’s College for their encouragement and help throughout my study and permitting me to avail F.I.P to pursue my research work.

I am deeply indebted to my friends Mrs. Uma, Lecturer, Department of Physical Education, Ms Kala Devi, Lecturer, Department of Geography, Mrs. Sumathi Lecturer, Department of English and Mrs. Asha, Lecturer, Department of Commerce, Queen Mary’s College, Dr. Lakshmana Singh, Professor and I lead, Department of Sociology, Bharathiar University, Coimbatore, Dr. Karupaiah, Reader in Sociology, Madras University and Dr. Alphonse Raj, Reader in Sociology, Loyola College, Chennai for their valuable guidance and support throughout my study.

I express my due gratitude to Dr. Kanan, Reader in Sociology, Manonmaniam Sundaranar University, Tirunelveli and Dr. Ani, Professor and Head, Department of Sociology, Mother Theresa University, Kodikanal for helping me by providing literature related to women and HIV/AIDS.

My heartfelt thanks are due to Mr. Christudas Gandhi, I.A.S, Dr. Gobal, I.A.S and Mr. Viajakumar, I.A.S, the Directors of Tamil Nadu State AIDS Control Society for helping me to collect statistics and the list of NGOs working in AIDS Intervention Programmes in Chennai.

I also deeply indebted to Dr. Krishnamurthy, Director of AIDS Prevention and Control Project (APAC), Dr. Manorama, Director of CHESS, Dr. Hariharan, Director of Indian Community welfare Association, Dr. Dhanikachalam, former NGO Advisor of Tamil Nadu State AIDS Control Society and
the members of World Vision, Chennai for supporting me to collect primary Data and to shape Action Plan, the part of research work.

I am happy to extend my profound thanks to Mr. Arulmoni, Madurai Meenakchi Mission Hospital, Mrs. Sasikala, Family Planning Association of India, Madurai, Mr. Raja and Prassana Raja, the Director and Secretary of Mother Saratha Devi Social Service Society, Ottenchatram for extending their support during my Pilot study.

I sincerely acknowledge the support of Ms. Kausalya, President, Indian Positive Net Work, Chennai, Mrs. Varalakshmi, Mrs. Seethalakshmi, staff of Tamil Nadu State AIDS Control Society, Mr. Pitchamani, President, Positive Net Work, Theni. I am also deeply indebted to all my respondents for providing valuable information and suggestions.

I am extremely thankful to my friends Mr. Mani, Mr. Jayaseelan, Ms. Thirukani and Ms. Shilpa, the Research Scholars, Department of Sociology, and Mr. Sabesh Manikandan, Kubendran Gandhigram Rural Institute for their encouragement and assistance in computerizing thesis.

I am always remembering my father Mr. G. Shanmugam Pillai, who is blessing me from the heaven for all my success in life.

I place on record my deepest appreciation to my mother Mrs. Ponnammal Shanmugam, brothers S. Govindaraj, S. Guru and S. Mohan and my beloved G. Karthiha and G. Dinesh Kumar and G. Iswarya and Mrs. Anitha Guru. I am highly indebted to my mother-in-law Mrs. Gomathi Alwar, sister-in-law Dr. Lalitha, Mrs. Rani Alwar Ramanujam, and my brother Dr. Alwar Ramanujam for their affectionate interest in my health and studies which helped me to provide deep concentration on research. I am extremely thankful to my sister Mrs. Raji Muth, my brother-in-law Lr. Muthu, Mr. Mani and all my family members and my friends Mrs. Padma Vasu and Mr. Vasu for providing moral and psychological support during my critical period which helped me to recover my physical strength to speed up my research work.

I am highly proud of my husband Mr. A.V Ravi Prakash, Asst. Professor, Pondicherry Engineering College, Pondicherry. Without his moral and psychological support it is very difficult for me to complete this research work. I am also highly indebted to my son Goutham R Prakash for tolerating my absence in home. I am very grateful to my son Mr. Prabu for heart warming encouragement throughout my study period.

Finally, I extend my thanks to each and everyone who have helped me in some way or other in this endeavour.
