It gives me immense pleasure to place on record my sincere gratitude for my supervisor Dr. Samina Khan whose advice, support and encouragement has made the present work possible. Her dedication as teacher and supervisor remained a source of inspiration for me to complete this project. But for her suggestion and supervision, the present work could not have been possible.

I am highly thankful to professor S.N. Zeba, Head, Department of English, and Dr. Asim Siddiqui whose scholarly insights proved an invaluable help at certain crucial junctures of this research. I am also thankful to Dr. Reshmi Attri, Reader at the department for her encouragement from time to time.

I would also like to thank all my family members for their love and care with out which there could have definitely been distractions and deviations. My uncles, and brother-in-law, Rafiq and Raqib deserve special mention with high regards and gratitude. My cousins Saleem, Sahil, Aamir, Umar, tawqueer, Nasir, Snowber, Gousia, Henna, Bisma, Reshma, Nazrana also deserve thanks especially Rani is thanked for the innocence she chirped in many a time when I was dejected.

I also thank my friends Dr. Bilal, Dr. Tanvir and Dr. Sajad for their encouragement, company and love during my tenure in Aftab Hostel. I am always at loss of words when it comes to thank Dr. Amin Falahi, Dr. Sheikh Bhai, Bilal Ahmad Itoo, Shafaqat Ali…….

I would be failing in my duties if I do not put on record my thanks for Alam Bhai for typing this project. I must also thank Mumtaz who arranged books from U.S.
