ACKNOWLEDGEMENTS

There is a large list of people, who have been a source of strength and inspiration, throughout this work. There are no proper words to convey my deep gratitude and respect for my thesis and research advisor, Dr. Khurram. Despite his busy schedule, he guided me and helped me to complete this work.

My sincere thanks to all the faculty members of the Department of Political Science, for being so kind, helping and encouraging, throughout my engagement with them. They generously gave their time to offer me valuable suggestions toward improving my work. In particular, sincere thanks to Prof. MirzaAsmer Beg, Prof. ArifHameed and Dr.Arshi Khan. They were always helpful during the course of this study. Similarly, special thanks to the staff of the Department of Political Science, especially, Mr. Iqrar and Mr Hamad, who were very helpful throughout this period.

My heartfelt thanks to my colleagues: Tahseen, Reena, Sumaiya, Parth, Liahqat, Zeeshan, Sadia, Sameena, Gauhar, Lubna, Rubab, Javed, UmmeHabiba and others for being so encouraging and helpful throughout these years. The study wouldn’t have reached its completion, had there not been friends, like, Dr. Imran, Dr.Hilal, Dr.Muzamil, Hashim, Zahoor, Muzamil, Tufail, Tahseen, Muneeb and the juniors, whom I always treated as my younger brothers, like, Munim, Umar, Henan, Murtaza, Tabasum, and others. The thesis would not have been possible without their love and support.

My parents and my sister deserve much appreciation for having so much of faith in me and my abilities. I thank them for their unconditional trust, timely encouragement, and endless patience. It was their love that raised me up again when I got weary.

My heartfelt gratitude to KhurramParvez, Convenor, Coalition of Civilian Societies, Dr. Raja Muzafar, and many other persons, belonging to different civil society groups, for sparing their valuable time, and sharing their thought provoking insights, with me. I express my sincerest thanks to staff of libraries at JNU, KU, and AMU, who helped me in all possible ways.

At last, but not the least, I thank with love to AreebaSiddiqui, who being my best inspiration and great companion, loved, supported, encouraged, entertained, and helped me get through this agonizing period in the most positive way. It was due to her efforts that the thesis did reach its final stage. Thank you very much for being there with me, when I needed you the most.
