ACKNOWLEDGMENT

My sincere thanks to my adviser, Prof. G. Singh for his constant support, guidance and encouragement throughout my research work without which this thesis would not have been possible. I would also like to thank my co-adviser, Prof. Kalyan S. Yadav for giving me an opportunity to pursue this interesting and challenging research work. They showed me how to become an independent researcher.

I would like to offer my sincere gratitude to Prof. Y. Medury, COO of Jaypee Education System. I am very much thankful to our Vice Chancellor Prof. Ravi Prakash for their invaluable support, mentorship, and feedback which kept me on track of my research. My sincere thanks to our Director, Brig. (Retd.) Balbir Singh for his constant support and encouragement. He is really an excellent gentleman who is always ready to give full support for education.

I am greatly thankful to Prof. Sunil V. Bhooshan, (Head of Department, Electronics and Communication Engineering) for their valuable discussions and kind support during my research work. Thanks to Prof. Tejinderbir S. Lamba, (Dean, Academic and Research), who always challenged me to explore new ideas and never quit learning. I would like to thank all the colleagues at JUIT especially in ECE group for always friendly help and valuable discussions. It is my luck that I could thanks to all the administrative and the systems group of JUIT for their support.

Last, but by no means least, special thanks are due to my parents Mr. Virendra Mohan, Mrs. Renu Srivastava, and my wife Mrs. Surabhi Srivastava who have supported and encouraged me at every stage of my life. Without them I would have had neither the confidence nor the tenacity to have completed this degree. They had been a constant source of inspiration to me.
