ACKNOWLEDGEMENT

Submission of thesis is indeed a very special occasion for me to express my sincere regards and heartfelt appreciation to all those who made possible this thesis a reality.

First and foremost, I am profoundly and everlastingly grateful to my esteemed guide, Dr. (Mrs.) Shobhana K. Menon, Ex, Director-School of Science & Head, Chemistry Department School of Sciences, Gujarat University, Ahmedabad for her valuable guidance, positive approach, inspiration, patience and enduring leniency through out the course of my work, providing a major momentum which has successfully led me to the completion of this work.

It is my privilege to acknowledge, Dr.N.K.Shah, Head-Chemistry Department, Ahmedabad for providing all the necessary facilities to carry out research work.

I wish to accord my gratitude to Dr. Nirav Gandhi, In-charge of Ahmedabad branch, Accutest Research lab, India for his invaluable suggestions, advice, concern and help. I shall fail in my duties if I do not reveal my heartfelt thanks to Dr. Santosh Joshi and Dr. Satish Sawant, Directors, Accutest Research Lab. Pvt. Ltd., India, for their helpful nature, moral boosting, and especially for allowing me to utilize all the relevant instruments, chemicals and library facilities of Accutest Research Lab to pursue my PhD work.

The teaching and non-teaching staffs of Chemistry Department, Gujarat University, deserve a special mention for their kind cooperation and concern for the future of students. It is indeed my pleasure and privilege to record my appreciation to all my lab members, colleagues and my friends, especially Dr. Hiren Mistri, Dr. Arvind Jangid, Deep talati and Janak Pipalia who have always lent a helpful hand and made this phase of my life memorable.

Last but not the least, I thank the almighty Goddess Saraswati, Maa Gayatri and my God father Shri Vishwakarma Prabhu for showering their blessings on this piece of work with direction and hope created by my Father Late. Keshavlal Mistry so long back and to boost up my life still now through his invisible support.
