ACKNOWLEDGEMENT

The present thesis has been the outcome of constant guidance, help, support, views, shared experiences and ideas contributed by many persons. First of all I am deeply grateful and indebted to my esteemed guide Dr. Anuradha Dutta. It was solely because of her scholarly and efficient guidance, support and constant encouragement that I could undertake and carry out this arduous and noble venture. She has extended her valuable help step by step, progressively and methodically through teaching, guidance, observations, remarks and continuous encouragement. Without her selfless dedicated service and efficient guidance it would not have been able to carry out and complete this thesis successfully.

I am greatly indebted to all the faculty members of the Deptt. Of Political Science, Gauhati University for their valuable suggestion from the time of beginning to the end of my research work.

I must confess that real source of inspiration of this thesis are my father Md. Mobidul Islam, my mother Mrs Nasira Hussain, my brother and my sisters who constantly supported me in completion of my work.

I shall be failing in my duty if I do not express my grateful thanks to the staff of K.K Handique Library, G.U., ICHR Library, G.U, Political Science Department Library, G.U.,OKDISCD of Guwahati, Sahitya Sabha Library Guwahati, Antiquarian and
