Acknowledgement

First and foremost I would like to place everlasting gratitude to the Almighty who provided me the strength and guidance for the timely completion of the work.

I express my heartfelt gratitude and thanks to my respected esteemed Supervisor Dr. Neerja Verma, Professor and Head, Department of Library & Information Science, M. L. B. Govt. College of Excellence, Jiwaji University, Gwalior for her valuable guidance and support throughout my research work and making this work possible. I consider myself fortunate enough to have worked under her supervision in this fascinating field.

I would be failing if I do not record my gratitude to Dr. Jitendra Shrivastava, Dr. Sarita Verma and Dr. Arvind Sharma, Associate Professor, Department of Library & Information Science, M. L. B. Govt. College of Excellence, Jiwaji University, Gwalior for their help and suggestions and moral support.

I am grateful to Dr J. N. Gautam Professor, School of Study in Library and Information Science, Jiwaji University, Gwalior and Prof. P. N. Maheshwari, Controller of Examinations, GLA University, Mathura for their continuous support and encouragement.

I am grateful to Dr Hemant Sharma and Dr R G Garg, from School of Study in Library and Information Science, Jiwaji University, Gwalior and Dr Niranjan Singh, Librarian, Kendriya Hindi Sansthan, Agra for their encouragement and support.

I wish to convey my sincere gratitude to Prof. D. S. Chauhan, Vice Chancellor, GLA University for all his help and guidance from time to time. I express my sincere thanks and indebtedness to Prof. (Dr.) Jai Prakash, Former Vice-Chancellor, GLA University for giving the permission and his guidance for the work.

I wish to express my special gratitude to Dr. Anoop Kumar Gupta, Director and Professor Incharge Library, GLA University, Mathura, for his kindness and his motivating advice. He taught me another aspect of life, that, “goodness can never be defined and good human beings can never be denied” His assistance and support has always kept me going ahead.

I humbly express my gratitude and remain indebted to my respected Prof. S. Basu, Professor and Former Head, Department of Electrical and Electronics Engineering, GLA University, Mathura who has equally guided me throughout my research work. My sincere thanks are to him for many valuable suggestions and for editing each chapter meticulously and thoroughly. My regards for him are unbounded.
I would like to offer my special thanks to Dr. Ashish Kumar Sharama, Associate Professor, GLA University, Mathura for his valuable suggestions in the Statistical Analysis of the data.

I am also thankful to Dr. Vivek Agrawal, Assistant Professor, GLA University for his help in designing research methodology adopted for the research work. I am also thankful to Dr. Kamal Shah and Ashish Sharma for their encouragement and support.

I am thankful to Dr. Javaid Ahmad Lone, Assistant Professor, Department of English, for carefully proof-reading several chapters. His comments were particularly useful in preparation of the manuscript.

I also acknowledge the contribution and cooperation of the faculty members and librarians of surveyed libraries, who responded positively to the questionnaire. I am also thankful to Mr. Vijay Kumar, Manager, GIST, for providing usage statistics.

I am also thankful to my colleagues, specially Ms. Mamta Mishra, Assistant Librarian, for looking after the library during my frequent visits to Jiwaji University Gwalior and Mr. Siddharth Awadhiya for their help and cooperation.

During my study, I could not fulfill my basic responsibilities towards my family members. I must express my sincere and heart-felt thanks to my Father Shri G. P. Gupta, my gratitude to my Mother, Mrs. Omshree Devi and my younger brother Sanjay Gupta (Boby). I owe all credit to my wife Smt. Shalini Gupta (Pinky) for her great support during my research work. She gave me time and supported me when I needed it the most and assumed more than her share of domestic duties, and had less of my time than she deserved. I also acknowledge my lovely daughter Ritisha Gupta (Netra) for her sweet fascinating smile which hold up me and gave energy for completing this research work.

I would like to pay special thanks to my friends, Ramniwas Soni, Shalendra Gupta, Umesh Soni and Anand Dixit, who helped and encouraged me for preparation of this work.

I am also thankful to all my known and unknown well-wishers for their support during my research work.

(Pooran Mal Gupta)
