ACKNOWLEDGEMENT

I pleasantly convey my heartily thankfulness to my research guide, most respectable Dr. Sabir Hussain for their help, support, advices and suggestions during various stages of this research work. I got the positive attitude in my thinking and analyzing capacity, which helped me to make things simple and programmatic. I consider myself privileged to work under his generous guidance. I would like to express my feelings of gratitude to Head of the Department of Chemistry, JJTU, Rajasthan for providing laboratory facilities and IIT Delhi for spectral analysis of compounds. I bow my head with absolute respect to my parents Sh. Jagdish Chand Virmani & Smt. Krishna Devi and Sh. Fateh Chand & Smt. Mulakh Devi and spouse Ms. Deepak Virmani and loving kid Ayush Virmani, who constantly support me and encouraged me to remain focused on my research work. I am also thankful to my uncle Mr. Ved Parkesh designated as under Secretary to Government of India in Ministry of Health and family Welfare, Nirman Bhawan, New Delhi; who helped me a lot in collecting relevant literature from National Medical Library, New Delhi. I pay my tributes to all might my LORD for providing strength which made it possible for achieving my goal. He showered His grace on me through these outstanding persons. All this work is His work through a small person called Meenakshi.
