ACKNOWLEDGEMENT

I am immensely grateful to my supervisor, for his valuable guidance, stimulated ideas, encouragement, cooperation, and for his critical and constructive comments on my research topic titled “Electronic Accounting System and End-User Satisfaction in Context of Dhule Maharashtra: A Micro Study”. His recommendations, suggestions and directions have been of tremendous help for the progress of the research study.

I am extremely happy to extend my sincere thanks to Vice Chancellor and Registrar of Shri JJT University, Jhunjhunu and their staff for their encouragement, valuable suggestions and keen interest throughout my research endeavour.

I express my sincere gratitude to Shri.Devidas Krishna Chaudhari my father and Sau.Sushilabai Devidas Chaudhari my mother for being a great source of inspiration and their kind encouragement throughout my research which enabled me to complete this himalayan task.

I am grateful to Dr.Bhapusheb Anil Chaudhari, President and Sau.Deepika Anil Chaudhari, Secretary, Social & Cultural Association Sanstha, Kusumba for their belief and faith upon me, moreover continue inspiration and timely suggestions which enabled me to make continuity in research work.

I am also great pleasure in acknowledging my gratitude to all my sisters and brother-in-law, Shri.Kailash M.Chaudhari & Sau.Vaishali Chaudhari, Deepak B. Chaudhari & Sau.Manisha Chaudhari, and Ranjit S.Chaudhari & Sau.Sonali Chaudhari and all family members for their blessings, continuous inspiration towards carrying research work and become doctorate.

I consider it is duty to remember my elder brother Late Chandrashekar who is always being a great source of encouragement and inspiration for me.
I specially thanks to Dr.J.S.Girase, N.N.C. Arts, Commerce & Science College, Kusumba for their inspiration, encouragement and continuous help in data collection.

Last but not least, I consider it is my privilege to place on record to the patience and understanding of my wife Bhagyashri for bearing my carelessness towards homely affairs and continuously her carefulness to me which enabled me to bring this study in the form of better compilation. My sons Prathamesh & Jaideep were very kind by being less demanding on my time during this research work.

I will be failing if I do not thank all those who helped me either directly or indirectly in this successful completion of my research work. While I am greatly indebted to all these persons also for enabling me to happen a long pending desire in the form of this thesis. I am alone responsible for any limitations in this work.

Dipak Devidas Nerkar
