ACKNOWLEDGEMENTS

An acknowledgement is never the full expression of one's gratitude towards the person(s) whose help has been sought in the conduct of this work from time to time. Language is an inadequate medium to express one's sentiments. It is the only way, one can record one's gratefulness and indebtedness to all those but for whose help and guidance to this work could not have been accomplished.

Words fail me in my humble attempt to express my profound feelings of gratitude to my esteemed scholarly supervisor, Dr. R.K. Bhaker, Principal, S.P. College of Education, Rewari for his constructive criticism, magnanimous help and meticulous guidance throughout the conduct of this study. Without his constant and uninhibited encouragement, this investigation would have been impossible to take shape.

I would also like to express my deepest gratitude to Prof. (Mrs.) Indira Dhull, Head & Dean, Department of Education, M.D. University, Rohtak for her continuous support in boosting my morale to complete the task.

The investigator fails to find proper words to express his profound gratitude to Dr. L.N. Dahiya, Ex. Pro Vice-Chancellor, M.D. University Rohtak, Prof. Hemant Lata Sharma, Prof. A.K. Kalia, Prof. Madhu Gupta, Department of Education, M.D. University, Rohtak, Dr. Joginder Dahiya Assistant Professor, Deptt. of Botany, A.I.J.H.M. College Rohtak and Dr. R. Parua, Assistant Professor, M.M.U Mullana. My gratefulness also goes to the Directors
of N.C.E.R.T., I.C.S.S.R. and staff of different University Libraries for their help and cooperation.

My thanks are also due to my friends and colleagues. I must also share my accomplishments with my loving and caring wife, Dr. Sunita, Principal, G.S.S.S., Khanpur Kalan (Sonipat) and also with my respected parents, father-in-law, mother-in-law and brother-in-law Mr. Vijender Chahal who always inspired me in every way providing morale support and guidance, so also extends to my loving sons, Rohit & Sumit.

I am pleased to extend my sincere gratitude to the principals, teachers and students studying in government schools of Haryana State for extending whole hearted cooperation in data collection required for my research.
