

## LIST OF TABLES

Table No.	Title	Page No.
4.1	Distribution of population in different regions of the state	94
4.2	Demographic features in different regions of the state (Haryana)	95
4.3	Various indicators of agricultural development in Haryana (1966-67 and 1989-90)	96
4.4	Area, Production and Productivity of different crops in different regions of Haryana (Area - 1000 hectares, Production - 1000 tonnes and Productivity in kg)	97
4.5	General Index of Industrial Production in Haryana (Base 1970-71)	98
4.6	Actual Expenditure on industry and minerals in Haryana during plan (in Rs. lakhs)	99
4.7	Sectoral Composition of Income in Haryana State (1970-71 to 1993-94) at 1980-81 prices	100
4.8	Percentage share and rates of growth of various industrial group in number of factories and employment in Haryana in 1970-1993	101
4.9	Number of registered working factories and workers working in these factories in different regions of the state.	102
4.10	Educational infrastructure in different regions in Haryana	103
4.11	Medical facilities in different regions in Haryana	104
4.12	Co-operation, Road and Transport facilities in different regions in Haryana	105
5.1	Region-wise distribution of area under various crops and percentage change therein in the state of Haryana	149

Table No.	Title	Page No.
5.2	Crop-wise regional distribution of production and percentage change therein in overtime in the State of Haryana (in 100 M. tonnes)	150
5.3	Coefficient of variation (CV) of area under various crops in the state during different plans period	151
5.4	Coefficient of variation (CV) in production of various crops in the state during different plans period	152
5.5	Average annual compound growth rate (in percentage) of area under various crops in different regions as well as in the state of Haryana (1966-67 to 1989-90)	153
5.6	Average annual percent compound rate of in production various crops in Haryana and in its constituent regions (1966-67 to 1989-90)	154
5.7	Region-wise productivity (in quintals) of various crops and percentage changes therein, in Haryana (1966-67 to 1989-90)	155
5.8	Coefficient of variation in productivity of various crops in the state during different plans period	156
5.9	Average Annual Percentage compound rate of growth in productivity of various crops in Haryana and in its constituent regions (1966-67 to 1989-90)	157
5.10	Gross income from agriculture per hectare at current prices in different regions of Haryana (in Rs.) 1970-71 to 1989-90	158
5.11	Gross income from agriculture output per capita (rural) at current prices in different regions of Haryana (in Rs.) 1970-71 to 1989-90	159
5.12	Region-wise net area irrigated, percentage change therein and its percentage to net area sown in Haryana	160
5.13	Region-wise irrigation intensity and cropping intensity in different time period in Haryana	161

Table No.	Title	Page No.
5.14	Region-wise area under HYVs and its percentage to net area show in Haryana (in thousand hectares)	162
5.15	Region-wise Fertilizers consumption (in kg/per hect.), No. of Tractors, (per 000 hect.) and No. of tubewell and pumping sets (per 000 hect.) in Haryana	163
6.1	Districtwise distribution of factories in Haryana (1965)	201
6.2	Index of Industrial Production in Haryana (1970-71 To 1989-90) Base Year 1970-71=100	202
6.3	Total Plan Expenditure on Industries and Minerals in Haryana (Plan-wise)	203
6.4	Industry-wise Production and Percentage increase therein	204
6.5	Number, Percentage Share, Percentage Increase and Annual Average Percentage Compound Growth Rate of Registered Working Factories in Haryana and its constituent Regions (1966-67 To 1989-90)	205
6.6	Plan-wise mean ( $\bar{x}$ ), standard deviation ( $\sigma$ ) and coefficient of variation (C.V.) in Registered working factories among different regions in the state of Haryana (1966-67 to 1989-90)	206
6.7	Annual percentage compound growth rate of registered working factories in different regions of Haryana (1966-67 to 1989-90)	207
6.8	Number, percentage share, percentage increase and average annual percentage compound growth rate of workers working in Registered working factories in Haryana and in its constituent regions (1966-67 to 1989-90)	208

Table No.	Title	Page No.
6.9	Plan-wise mean ( $\bar{x}$ ), standard deviation ( $\sigma$ ) and coefficient of variation (C.V.) in workers working in registered factories in different regions in the state of Haryana (1966-67 to 1989-90)	209
6.10	Annual percentage compound growth rate of workers working in registered factories in different regions of Haryana (1966-67 to 1989-90)	210
6.11	Per capita value added by manufacturing (Regd.) (at current prices)	211
6.12	Regionwise production of various industries and percentage share of different regions in the production of various industries (1970-90)	212
7.1a	Different infrastructural activities and relative shares of different regions in Haryana (1966-67 to 1989-90)	241
7.1b	Various infrastructural facilities in the State of Haryana	242
7.2	Coefficients of variation in Educational Infrastructure among different regions of Haryana 1966-67 to 1989-90	243
7.3	Annual Average growth rates of Educational Infrastructure in different regions in Haryana (1966-67 to 1989-90)	244
7.4	Coefficients of variation in health infrastructure among different regions of Haryana (1966-67 to 1989-90)	245
7.5	Annual average growth rates of health infrastructure in different regions in Haryana (1966-67 to 1989-90)	246
7.6	Coefficients of variation in Economic infrastructure in different regions of Haryana (1966-67 to 1989-90)	247
7.7	Annual average growth rates of economic infrastructure in different regions in Haryana (1966-67 to 1989-90)	248
