ACKNOWLEDGEMENT

There are many ways of expressing one’s gratitude towards someone. Language is one such way by means of which one can express one’s gratefulness and indebtedness to one’s guide and benefactors.

It is my privilege to take the opportunity to express my sincere gratitude to my supervisor Prof. R.C. Hooda, Guest Faculty, Department of Education, Maharshi Dayanand University, Rohtak. He provided me his valuable guidance during the entire period of the preparation of this thesis. I wholeheartedly acknowledge his immense help and timely advice without which the thesis would not have met the present state.

I express my deep gratitude to Dr. (Mrs.) Indira Dhull, Head, Department of Education, Maharshi Dayanand University, Rohtak for her valuable suggestions and encouragement.

I would like to express my sincere thanks to the Principal and the students of Haryana Public Sr. Secondary School Gohana who rendered their help and co-operation in the collection of data.

I am grateful to my parents and other family members who inspired me to start my thesis work and gave continuous encouragement during the whole period of this study.

I shall be failing in my duty if I do not express my sense of gratitude to Sh. Shamsher Singh Nandal for his unlimited support.
