Acknowledgement

The task of acknowledging the incalculable debt of appreciation, which is owed to many, is a very pleasing feature of thesis writing. It gives me immense pleasure in thanking those who were associated with me in completion of this work.

Though, all the students are equally gifted, their shaping lies on the people at whose hands they fall into. I deem it as my good luck and golden opportunity to work under the guidance of Dr. (Mrs.) Seema Sirohi, Lecturer, C.R. College of Education, Rohtak. I am deeply indebted to my guide for suggesting me the problems and for her inspiring resourcefulness and supervision of the entire work. Words are ineffable to pay gratitude, kind treatment, sustained interest, encouragement, constructive and logical criticism, timely admiration and strenuous effort throughout my period of study and provide the conducive atmosphere for my work without any hitch, will remain evergreen in my memory. The light candled by her will ever shine.

I acknowledge my sincere thanks to Dr. (Mrs.) Indira Dhull, Professor and Head, Department of Education, M.D. University, Rohtak and Dr. (Mrs.) Madhu Gupta, Reader, Department of Distance Education, M.D. University, Rohtak for their concrete suggestions at various stages and providing necessary suggestions time to time.

Words should be inadequate to convey my deep sense of gratitude to my in-laws and parents without whose blessings, I could not have completed my research work. They have been a constant source of inspiration to poster my moral in my academic pursuits. Their affection and blessings have been the real pillars of my confidence.

Most deserving of thanks is, of course, my husband Dr. Sanjay Hooda, who gave me all type of support and affection and my son Mr. Ahijay in bringing me at this apex.
I am extremely grateful to staff members of Central Library, M.D.University, Rohtak and Library of C.R. College of Education, Rohtak for providing me relevant books, Journals and educational surveys which proved very useful for my study.

I am also thankful to Mr. Raj Kumar Pahwa M/s S.S. Computers, Near Jat College, Rohtak, who took immense pain in completing this presentation well in time.

Last but not the least, I shall be failing in my duties if I don't again admire the Almighty as whole work is possible because of an unknown face which stood behind me as a strong pillar and provided me great zeal and enthusiasm by unknown sound, but known words to fulfill the dreams of that unknown, unseen, unborn face i.e. "God" on this very special occurrence on my life.
