ACKNOWLEDGEMENT

This thesis is a milestone in my academic career. I have been fortunate to learn theories and concepts which would have been impossible if I had not extensively carried out the needed research. I am grateful to a number of people who have guided and supported me throughout the research process and provided assistance for my venture.

At this moment of accomplishment, I would like to thank my guide Dr. Anil Naik for his valuable advice, constructive criticism & extensive discussions around my work and constant support and encouragement. I am also extremely indebted to Prof. Dr Uday Salunkhe, Director, Prin. L. N. Welingkar Institute of Management Development and Research for providing necessary infrastructure and resources like SPSS training to accomplish my research work.

I would like to thank Prof. Dr.P.S.Rao for his valuable inputs during my journey. I gratefully acknowledge Dr.Kavita Kalyandurgamath for her understanding, encouragement and personal attention which have provided good and smooth basis for my Ph.D. tenure.I would also take this opportunity to thank Ms. Shruti Mangaonkar for all her help and support during Ph.D. A very special thanks to Dr. Chetna N. Shukla, Dr. Dhiraj Dubey without whom I could not have survived the journey.

My Mother – my Mentor and Guide in life. This work would not have been possible without her guidance, support and encouragement. Her unflinching courage and conviction will always inspire me, and I hope to continue to work with her noble thoughts. I wish her soul roots in peace and solace in the heaven. It is to her that I dedicate this work.

And finally I thank the Creator-of-all-that is-GOD for helping me and being by my side always.
