CONTENTS

ACKNOWLEDGEMENT........................................................................................i-ii

LIST OF TABLES......................................................................................... iii-iv

CHAPTER-I : INTRODUCTION ........................................................................1-30
- Concept of Small Industry ........................................................................ 3
- Importance and Role of Small-scale Industries in National Economy........ 10
- Growth of Small-scale Industries in India .............................................. 14
- Small-scale Industries in Haryana ........................................................... 16
- Review of Literature ............................................................................. 18
- Logic of the Study .................................................................................. 24
- Scope of the Study .................................................................................. 26
- Objectives of the Study .......................................................................... 28
- Presentation of the Study ......................................................................... 28

CHAPTER-II : PLANNING FUNCTION .......................................................31-63
- General Planning, Financial Planning & Profit Planning ....................... 31
- General Planning in Small-scale Industries .......................................... 50
- Financial Planning in Small-scale Industries ........................................... 55
- Profit Planning in Small-scale Industries ................................................. 57
- Sales Forecasting in Small-scale Industries ............................................. 59
- Summing Up ......................................................................................... 62

CHAPTER-III : THE FINANCIAL INFORMATION SYSTEM ..................64-93
- Principles of System Design .................................................................... 65
- The Accounting System Design Process ................................................. 68
- Internal Control ....................................................................................... 76
- Proper Accounting System in Small-scale Industries ............................. 80
- Use of Cost Reduction Techniques in Small-scale Industries ................... 82
- Amount Spend on Maintenance of Accounts in Small-scale Industries .... 86
- Pricing Policy in Small-scale Industries .................................................. 90
- Summing Up ......................................................................................... 92
CHAPTER-IV: WORKING CAPITAL MANAGEMENT
- Overall View, Cash Management, Receivables Management and Inventory Management
- Working Capital Management in Small-scale Industries
- Sources of Working Capital Financing in Small-scale Industries
- Cash Management in Small-scale Industries
- Receivables Management in Small-scale Industries
- Inventory Management in Small-scale Industries
- Summing Up

CHAPTER-V: FINANCIAL LEVERAGE AND CAPITAL STRUCTURE
- Financial Leverage: Meaning and Measures
- Capital Structure Management
- Financial Leverage in Small-scale Industries
- Considerations in Financing Decisions used in Small-scale Industries
- Capital Structure Planning in Small-scale Industries
- Consideration of Cost of Debt in Small-scale Industries
- Summing Up

CHAPTER-VI: CAPITAL BUDGETING
- Kinds of Capital Budgeting Proposals and Ranking of Capital Budgeting Proposals
- Project Evaluation
- Techniques of Valuation
- Capital Budgeting in Small-Scale Industries
- Who Prepares Capital Budgets in Small-scale Industries
- The Post-Audit in Small-scale Industries
- Summing Up
CHAPTER-VII : SOURCES OF FINANCE .................................................. 181-212

- Short-term Capital ............................................................................. 181
- Factors Influencing the Decision between Short-Term and Long-Term Debt ................................................................. 182
- Intermediate Financing ..................................................................... 188
- Long-Term Financing ........................................................................ 194
- Main Source of Short-Term Capital in Small-scale Industries .............. 200
- Main Source of Term Loans in Small-scale Industries ....... 203
- Long-term Financing in Small-scale Industries ..................................... 206
- Summing Up .................................................................................. 211

CHAPTER-VIII : SUMMARY, CONCLUSIONS AND SUGGESTIONS .................................................. 213-257

APPENDICES .......................................................................................... 258-269

APPENDIX-I : CLASSIFICATION OF INDUSTRIES ..................................... 258
APPENDIX-II : QUESTIONNAIRE .......................................................... 259

BIBLIOGRAPHY ..................................................................................... 270-279
