ACKNOWLEDGEMENT

I make use of this precious opportunity to express my heartfelt gratitude and sincerest thanks to my learned teacher and supervisor, Prof. Mohammad Hameedullah, Department of Mechanical Engineering, Aligarh Muslim University, for his able guidance and sincere advise without which this work would not have materialized. I am extremely thankful to him for the encouragement and help that he rendered at almost every step during the course of study. In fact, he had been a constant source of inspiration and encouragement for me. Simplicity, kind-heartedness and a loving nature are the qualities that embody his gracious personality. His paternalistic concern, soft spoken-ness, hard-working nature, always striving towards excellence are qualities beyond comparison. In short, I am indebted to him for all my life.

I extend my thanks and a deep sense of gratitude to my learned teacher, Prof. Syed Mahdi A. Rizvi, Dean, Faculty of Engg. & Tech. and the Chairman, Department of Mechanical Engineering, Aligarh Muslim University, for his personal attention on my concerns, reassuring gaze followed by eager to help attitude and extending all the requisite facilities.

Thanks are also due to my learned and awe-inspiring teachers Prof. Ahtesham A. Nizami, Prof. Arif Suhail, Prof. Altamash Siddiqui and Prof. M. Muzammil for being such an exemplary teacher and contributing in my personality building. I must also thank Prof. Akhter A. Ansari and Dr. Arif Siddiqui Department of Mechanical Engineering, Aligarh Muslim University, for their constant help and guidance.

I extend my thanks and a deep sense of gratitude to my able Father and mentor, Prof. Saeed A. Siddiqui for his constant help, supervision and guidance par excellence.

I also wish to express thanks to my colleagues and all the members of the faculty.

I am also thankful to my sisters, Dr. Saadiya Saeed, Asstt. Professor, Deptt. of Forensic Medicine, JNMC, AMU and Dr. Asma Saeed, Consultant, T.B., Chest & Respiratory Diseases, Al Rashid Hospital, Govt. of UAE, Dubai, for the love and affection that they showered on me. I am indebted to Dr. Saadiya’s Cheerful, humorous and understanding nature, which lighted up my spirit in hours of despair. I am particularly grateful to Dr. Asma for her patience, caring nature and help rendered to me in innumerable ways.

I am extremely grateful to my brother-in-law, Prof. M. Habib Raza, Deptt. of General Surgery, AMU, who has been a constant source of help and guidance.
I shall be failing in my duties if I do not acknowledge my parents contribution towards my personality building. Every nook and corner of my heart is grateful beyond the expression of words to my parents, my mother, Dr. Swaleha Bilquis, for her immense love for her children, devotion, hardwork and above all, innumerable sacrifices without which I feel I would have been non-existent, my father Prof. Saeed A. Siddiqui who has been my anchor, my confidence all the way showering his affection, concern and charisma without which I would have been zero. I owe my existence to both of them.

Applauds for my dutiful wife and an all-time friend Dr. Sheeba Saad who poured immense love and affection on me and has been a source of happiness to my life.

I am especially thankful to Syed Daud and Farhan Khan for the cooperation and support rendered to me at all times.

I am also indebted to some of the master-piece creatures ALMIGHTY has blessed me with - my nephew Omair; my Angela niece Juveria; my son Ahmad; my daughter Shifa; and my nephew Ata’a who have brought immense joy to my life by adding music to my sound.

Above all, I thank ONE ALLAH for everything.

Saad Saeed Siddiqui
