ACKNOWLEDGEMENT

The entire work reported in the thesis was done under the supervision of Prof. R.K. Tuteja, Department of Statistics, Maharshi Dayanand University, Rohtak.

Words cannot express everlasting and deepest sense of gratitude to my esteemed supervisor Prof. R.K. Tuteja for his most valuable and precious guidance, useful discussions which I had with him time to time.

I am grateful to Dr Ashok Kumar, Head, Department of Statistics, Maharshi Dayanand University, Rohtak for judicious cooperation and constant encouragement.

I convey my respectful regards to the teachers of the Department of Statistics, M.D. University, Rohtak for their inspiration and kind cooperation.

I appreciate the co-operation of Mr Jai Parkash, Department of Mathematics, M.D. University, Rohtak.

Last but not the least, my heart goes out to acknowledge my indebtedness to my revered mother-in-law and father-in-law for constant encouragement, my brother-in-law Dr Gulshan Taneja for giving freely his experienced analytic outlook and constructive suggestions, my bhabhi Mrs Aruna Taneja for constant encouragement and co-operation, my husband Dr. Anil Taneja who kept on inspiring me in tough situations of life and helped me in completing the work, my beloved son Shubham and both of my nieces Vipasha and Rhythm for their exemplary patience and co-operation.

Above all, I thank God, the Almighty for showering His blessings upon me.
