Acknowledgement

It is indeed a matter of great pleasure to acknowledge those who have contributed, directly or indirectly and without whose help and support it would have been impossible for me to finish my work.

Firstly, all thanks goes to my Creator and Sustainer to whom belongs all praise and gratitude. It is my great privilege to express my deep sense of gratitude and indebtedness to my esteemed supervisor, Prof. Asif Ali Khan. I express my sincere and heartfelt thanks to him for his constant guidance and thorough supervision. His constructive criticism, fruitful suggestions coupled with his unique ideas helped me upgrade my views to solve various problems of my work.

A special acknowledgement is accorded to Prof. Ali Mohammad, Head of the Department for providing all the necessary working facility in the department and his invaluable assistance in research work for its timely completion.

I express my deep appreciation to all my Lab colleagues Dr. Anees, Dr Tabassum, Dr Khalid, Dr Leena Paquiza and specially to Shakeeba Shaheen, for their cooperation, most cordial and helpful role during the entire period of work. They took genuine interest and contributed immensely to my thesis. My thanks are also goes to my friends Dr. Sadaf Afreen, Dr. Sadaf Haneef, Mrs. Nazia, Dr. Sahar and Dr. Laeeq for their helping hands and precious time to share my moments of joy as well as of sorrows.

A word of appreciation goes to the non-teaching staff and research scholars specially Dr Shahid and Omaish, of the department for extending full cooperation and support during my research studies.
Heartfelt thanks are due to my family members including my brothers, sisters, brother in-laws, and sister in-laws for their love, affection and encouragement. Special thanks goes to my elder brother Mr. Syed M. Talha without whose Cooperation and Care I couldn’t have completed my work. I also extend my thanks to my niece and nephews and specially to my beloved daughter Fawza Ali for not being a big trouble during the last phase of my research work. Her smile works as a booster for me during this crucial period.

I consider myself to be fortunate enough to have a caring and understanding Husband Mr Ali Adnan, he always stood by my decisions and encourage me to achieve my goals and realize my dreams. Above all he is a wonderful life partner.

Last but not the least; special thanks go to my parents who raised me in such a way that lead me to achieve this herculean dream. My late mother is especially thanked and remembered because of her unflinching support and constant encouragement. My father with his inspirational support has been the motivating force behind this piece of work in many ways but one. I also extend my thanks to my in-laws for their moral support, constant encouragement and patience through out the work.
