CHAPTER I : INTRODUCTION | 1-81
1.1 The Goal of Education | 
1.2 The Role of Teacher | 
1.3 An Effective Teacher | 
1.4 The Profession of Teaching | 
1.5 Effective Teaching | 
1.6 Teacher Performance | 
1.6.1 Concept of Teacher Performance | 
1.6.2 Teachers Effective Behaviour | 
1.6.3 Teachers other competencies | 
1.6.4 Teachers Personal Traits | 
1.6.5 Factors Influencing Teacher Performance | 
1.6.6 Evaluating Teacher Performance | 
1.6.7 Self-Evaluation of Teacher Performance | 
1.6.8 Self-Evaluation | 
1.7 Job-Satisfaction | 
1.7.1 Concept of Job-Satisfaction | 
1.7.2 Operational Definitions of Job-Satisfaction | 
1.7.3 Factor Contributing of Job-Satisfaction | 
1.7.4 Job-Satisfaction Tool | 
1.8 Adjustment |
1.8.1 Concept of Adjustment
1.8.2 Meaning of Adjustment
1.8.3 Characteristics of the process of Adjustment
1.8.4 The Process of Adjustment
1.8.5 Area of Adjustment
1.8.6 Motives in Adjustment
1.8.6.1 Thwarting of motives
1.8.7 Measurement of Adjustment
1.8.7.1 Merits of Measuring Techniques
1.8.7.2 Measuring Teaching Adjustment Tool
1.8.8 Teacher Adjustment
1.8.8.1 Teacher Adjustment: A vital Necessity
1.8.8.2 Characteristics of Well-Adjusted Teacher
1.9 Teacher Competence, Commitment and Performance
1.10 Rational of the Study
1.10.1 Statement of the Problem
1.11 Operational Definition of the Terms
1.11.1 Teacher Performance
1.11.2 Job Satisfaction
1.11.3 Adjustment
1.12 Variable Involve in the Study
1.13 Objective of the Study
1.14 Null Hypothesis
1.15 Delimitation of the Study

CHAPTER II : REVIEW OF RELATED LITERATURE 82-171

2.1 Need of Review
2.2 Tapping various source
2.2.1 Studies related to Teacher Performance
2.2.1.1 Overview of Research on teacher Performance
2.2.2 Studies Related to Job-Satisfaction
2.2.2.1 Overview of Research on Job-Satisfaction
2.2.3 Study Related to Adjustment
2.2.3.1 Overview
2.2.4 Summing up

CHAPTER III: RESEARCH METHODOLOGY
PLAN AND PROCEDURE OF THE STUDY

3.1 Method and Procedure
3.1.1 Research Design
3.1.2 Method of the Study
3.1.3 Variable of the Study
3.1.4 Paradigms of Research
3.1.5 The Method followed
3.1.6 Sample of the Study
3.1.7 The Sampling Technique used
3.1.8 Tool used
3.1.8.1 Self-Evaluation Teacher Performance Scale
3.1.8.2 Teachers Job-Satisfaction Questionnaire
3.1.8.3 Teacher Adjustment Inventory
3.2 Collection of Data
3.3 Testing of Null Hypothesis

CHAPTER IV: ANALYSIS AND INTERPRETATION OF DATA
4.1 Treatment of the Data
4.2 Statistical Techniques used
4.3 Analysis of Data

4.3.1 Teacher Performance

4.3.1.1 Level of Effectiveness of Performance
4.3.1.2 Overview on performance level

4.3.2 Job Satisfaction

4.3.2.1 Level of Satisfaction
4.3.2.2 Overview on Job-Satisfaction Level

4.3.3 Adjustment

4.3.3.1 Level of Adjustment
4.3.3.2 Overview on Adjustment Level

4.3.4 Correlation Analysis

4.3.5 Regression Analysis

CHAPTER V : MAIN FINDINGS, CONCLUSIONS, EDUCATION IMPLICATIONS AND SUGGESTIONS FOR FURTHER RESEARCH

5.1 Main Findings

5.1.A Performance Parameter

5.1.B Job-Satisfaction Factor

5.1.C Adjustment Profile

5.1.D Inter-Relationship between performance, Job-Satisfaction and Adjustment

5.1.E Impact on Performance

5.2 Summing up of finding

5.2.1 Performance Level

5.2.2 Job-Satisfaction Level

5.2.3 Adjustment Level

5.2.4 Tangibility Across Performance, Job-Satisfaction and Adjustment Level
5.3 Discussion of Results
5.4 Conclusions
5.5 Educational Implications
5.5.1 Performance Satisfaction and Adjustment Syndrome
5.5.2 Competencies, Commitment and Performance Syndrome
5.6 Suggestions and further Research
