ACKNOWLEDGEMENTS

Research is a very intricate and challenging enterprise which needs consistent hard work, dedication and constant consultations. Its completion requires the investigator to seek help and guidance at all stages.

First of all, my head bows down to 'Almighty' who has blessed me with the opportunity, skill and capacity to achieve the goal of my life.

Words fail me in heartiest attempt to express my profound feeling of gratitude to my esteemed, highly intellect and learned supervisor Dr. (Mrs.) Indira Dhull, Reader, Department of Education, M.D. University, Rohtak for her constructive criticism, immense and magnanimous help and generous and meticulous guidance. Without her constant and uninhibited assistance, this investigation report would have been impossible to take the shape of an invaluable reference work.

I record my heartfelt gratitude for Dr. (Miss) Vandana Mehra, Lecturer, Department of Education, Punjab University, Chandigarh for her ever available moral support and encouraging attitude.

I am thankful to the Heads and teaching staff of Senior/Higher Secondary Schools of Rohtak city who rendered full cooperation. I also express my indebtedness to the subject for participation in collection of data. I am extremely grateful to various authors whose books, articles, research works have been consulted in this study. My gratefulness also goes to the staff of different libraries such as Department of Education, M.D. University, Rohtak, Central Institute of Education, New Delhi, Punjab University, Chandigarh in locating me useful research material. My sincere thanks are due to Dr. B.S. Nagi (Retd.) Director, Council for Social Development, New Delhi for sparing time for the analysis of data.
Words fail to express my deep indebtedness towards my worthy parents, Mrs. and Mr. Sushil Kumar Arora who gave due love and inspiration for learning. I also express my deep sense of gratitude towards my father-in-law, Mr. Ramesh Malhotra whose love and blessings provided me the moral support in completing the assignment.

I would fail to my duty, if I do not express my gratitude to my ever loving sister-in-law & brother-in-law, Mrs. Mona Malhotra & Mr. Rahul Malhotra, who have truly been a friend and philosopher.

I do feel proud while mentioning the name of my husband Mr. Davinder Malhotra, whose constant support helped me a lot since the inception of the idea of research till submission of the thesis.

I owe my sincere thanks to Mr. Kapil (Deep Computer) for meticulously typing the manuscript.

Last, but not the least, I am highly indebted to my little 'Shagun' who spared her Mom and kept her refreshed by her naughty tantrums.
