ACKNOWLEDGEMENTS

It is my most pleasant duty to express my deep debt of gratitude to my guide Dr. Shashi Kala Mehra, Professor & Head, Department of Public Administration, M.D. University. Rohtak without whose encouraging and inspiring guidance I would not have been able to complete this work. She guided the course of my study with a rare zeal and enthusiasm. I am extremely thankful to him for devoting a lot of her valuable time in going through this work and making a number of valuable suggestions. In fact, I have been marking frequent and almost heavy demands on her valuable time and I do not mean to absolve myself of the debt just by saying a few formal words of thanks.

I also owe a great deal to Dr. S.S. Chahar, Professor, Department of Public Administration, M.D.U. Rohtak for his encouragement in the course of writing this thesis. I sincerely express my thanks to Dr. S.C. Arora, Professor, Department of Public Administration, M.D.U. Rohtak, Dr. Sewa Singh, Reader, Department of Public Administration, M.D.U. Rohtak, Dr. Jagbir Narwal, Lecturer, Dr. Rajesh Kundu, Lecturer, Dr. Anjana Garg, Lecturer, Department of Public Administration, M.D.U. Rohtak, Dr. Satish Kumar, Lecturer in Commerce, Dr. Satish, Lecturer in English, Mr. Sanjay Kumar. Lecturer in English, for their benign help to complete this research work.

I am also grateful to the administrative officials of the various cooperative institutions and libraries for providing the material and data necessary for the successful completion of this research project.
