ACKNOWLEDGEMENTS

It is with deep sense of gratitude and respect that I wish to thank Dr. S. Nagarajan, the guide, presently the Controller of Examinations, Bharathidasan University who amongst his multifarious activities could find time to go through the thesis at various levels and am grateful for the steady and sustained efforts taken by him in making this thesis complete success.

I am very much obliged and thankful for the encouragement, given by Sr. Elizabeth Rose, former Principal of Holy Cross College (Autonomous) Tiruchirappalli and am grateful for the kindness and interest shown by Dr. M. Krishna Pillay, Professor and Head, Department of Chemistry, Bharathidasan University in completing this work.

I also thank Dr. Sr. Annie Xavier, Principal, Holy Cross College (Autonomous) Tiruchirappalli for being very kind in giving me permission whenever needed. Words are not enough to thank Mr. S. Kumarasubramanjan, Department of Chemistry, Bharathidasan University for this thesis would not have taken a proper shape but for his unflawing efforts and enthusiasm in computation.

I do remember with gratitude the various acts of kindness and help extended by the Staff Members of Department of Chemistry, Holy Cross College (Autonomous) Tiruchirappalli.

My thanks are due also to Dr. (Mrs.) N. Sulochana, Department of Chemistry, Regional Engineering College (Autonomous), Tiruchirappalli for her constant encouragement.
My sincere thanks are also due to Dr. G. Edwin Chandrasekaran, Mr. A. Alagappa Moses, Faculty members of the Department of Environmental Science, Dr. R. Edison Raja Chellasamy, Department of Chemistry, Bishop Heber College, Tiruchirappalli, Dr. P. Shahul Hameed, Department of Zoology, Jamal Mohamed College, Tiruchirappalli, Dr. M. Jayakodi, Department of Commerce, Periyar E.V.R. College, Tiruchirappalli, and Mr. B. Sivaramakrishnan, for their constant support throughout the period of my work.

I find great pleasure in extending my sincere thanks to Mr. A. Arockiaraaj, Mr. A.R. Mohamed Shanavas, Mr. A. Sheik Mohideen, Mr. A. Haj Mohamed, Mr. I. Bhasheer Ahmed, Mr. A. Sundar Raj, for the timely help in computing and editing this thesis.

I record my sincere thanks to Mr. P. Vijayakumar, Mr. S. Shanmugam and Mr. P. Shanmugam who have assisted me in collecting the necessary data and information.

I am also grateful for the assistance rendered by Mr. Parry, Mrs. G. Shanthi, Mr. T.K. Rajasekaran, Mr. M. Tamlivanan, Mr. U. Shankar and all others who have helped me either directly or indirectly in the successful completion of this research work.

I extend my thanks to the Department of Environment & Forests (DOEn), Government of India, for sanctioning a project.

With immense pleasure I wish to thank my husband Mr. T.S. Kandasamy, without whose help, encouragement and kindness, this thesis would have become a herculean task.
