ACKNOWLEDGEMENT

There are many kind hearts and helping hands who backed the formation of this doctoral thesis and I am highly indebted to each one of them.

I wish to express my deep sense of gratitude to my Research guide Dr. A. Panneerselvam, M.Sc., M.Phil., B.Ed., Ph.D., Reader, Department of Botany and Microbiology, for suggesting the problem, offering guidance in every stage of this work which helped me a lot for the successful completion of the thesis. His encouragement inspired me to learn many facets in the world.

I wish to express my sincere thanks to my co-guide Dr. K. Vijayaraman, M.Sc., M.Phil., Ph.D., Reader in Zoology, Periyar E.V.R. College (Autonomous), Trichy, for his guidance and suggestions which helped me a great deal the planning and execution of the work.

I humbly submit my respects to Shri K. Thulasiah Vandayar, Secretary and Correspondent, A.V.V.M. Sri Pushpam College (Autonomous), Poondi, for his blessings.

I thank Dr. T.K. Krishnamoorthy, M.Sc., Ph.D., Principal and Prof. A. Natarajan, M.Sc., M.Phil., Principal (Retd.), A.V.V.M. Sri Pushpam College (Autonomous), Poondi, for granting me permission to register for doctoral programme.

I express my sincere thanks to Dr. C. Lakshminarasimhan, M.Sc., Ph.D., Dean, Faculty of Science, A.V.V.M. Sri Pushpam College (Autonomous), Poondi.

I thank Dr. S. Balakrishnan, Professor and Head of the Department of Botany and Microbiology, for extending necessary facilities to carry out the study.

I extend my sincere thanks to Dr. K. Periasamy, Director, Institute of Management Studies, A.V.V.M. Sri Pushpam College (Autonomous), Poondi, for his advice and suggestions.
The investigator is deeply grateful to Dr. George John, Reader, Research Department of Zoology, Periyar E.V.R. College, Tiruchirapalli, advice during the course of the investigation. I am also grateful to his meticulous editing skills during the preparation of manuscript.

I gratefully acknowledge the help of Dr. S. Chandrasekaran, Professor and Head, Animal Feed Analytical and Quality Control Laboratory, Veterinary College and Research Institute, Tamil Nadu Veterinary and Animal Sciences University, Namakkal, for his help in analysis of the aflatoxin in feed samples.

I thank sincerely, Dr. S. Ramanathan, Director, Tamil Nadu Rice Research Institute (TNAU), Aduthurai, for his help in various ways which enabled me to complete the work without any difficulty.

My special thanks are due to Dr. N. Nadimuthu, M.Sc., M.Phil., Ph.D., Lecturer, Department of Botany and Microbiology, for his help in every possible way. His critical comments and suggestions helped me much in the execution of the work and the refinement of the manuscript.

I am highly indebted to the staff members of the Department of Botany and Microbiology, for their encouragement.

Words are not adequate to express my thanks to my senior colleagues Dr.G.Swamidoss Daniel, Dr. R. Nageswaran, Dr. M. Ayyavoo, Prof.S.Anbalagan, Prof. K. Samikkannu, Dr. G. Ravikumar, Dr.U.Balasubramanian, Dr. K. Rajendran, Prof. A. Karthikeyan, Prof.P.Natarajan and Prof. R. Damodaran, and my fellow colleagues Dr.V.Ambikapathy, Messrs M. Gopinathan, R. Pragashraj, K. Asokan, R.Rajakumar, S. Sankar, K. Muthukumar, A. Anand, R. Balakrishnan, S.Sivasuriyan, M. Thangadurai and Ms. V. Latha for their brotherly affection and for extending help, whenever I needed.

I extend my sincere thanks to Dr. A. Ganesan, Librarian, A.V.V.M. Sri Pushpam College (Autonomous), Poondi, as he was kind enough in tracing the pertinent literature relevant to my study.
It is my pleasant duty to thank Mr. P. Sivakumar, Research Scholar, Periyar E.V.R. College, Tiruchirapalli, Mr. R. Balasubramaniyan, Research Scholar, Annamalai University, Mr. K.T. Ganesh, Researcher, Andhra University, Andra Pradesh and Mr. V. Padmanathan, B.E., for their timely help.

I thank the Government of Tamil Nadu for financial support in the form of Research Fellowship through the Directorate of Collegiate Education, Chennai.

I also thank the non-teaching staff members of the Departments of Botany & Microbiology and Zoology, for their help in labouredly analysis.

I thank M/s. Nagu Computers, Thanjavur, for the neat typing of the thesis.

Last, but not least, my whole hearted thanks go to all my family members for their care, affection and encouragement, which inspired me to come up to this level.

S. RAMU
