ACKNOWLEDGEMENT

Several individuals have made this study successful and I would like to express my sincere gratitude to every one. First and foremost I express my special word of thanks to Dr. K. Thiyagesan, Reader, Research Advisor, Division of Wildlife Biology, A.V.C. College (Autonomous), Bharathidasan University for constant guidance, advice, suggestions and for having critically gone through the manuscript.

I am thankful to Dr. S. Paulraj, I.F.S., Deputy Conservator of Forests, Tamil Nadu Forest Department, who exposed me to proper wildlife research for his valuable guidance and advice on every stage of my research and his logistic support, encouragement throughout the study period and I am thankful to him.

I wish to thank the Tamil Nadu Forest Department officials especially Dr. T. Sekar, I.F.S., Conservator of Forests, Coimbatore Circle, for providing permission and logistic support during the field work.

I wish to thank Dr. V. Radhakrishnan, Principal and Prof. S. Swetharanyam, Head of the Zoology Department A.V.C. College for providing facilities to undertake this research work.

I express my deep gratitude to Dr. R. Nagarajan, Lecturer in Zoology, A.V.C. College, Mayiladuthurai for his help during the data analysis and the thesis preparation.

I am indebted to Dr. K. Saravanan, Lecturer, Prof. M. Varadharajan, Lecturer, and Dr. S. Asokan, Reader in Zoology, A.V.C. College, Mayiladuthurai for their help during the thesis preparation.

My grateful thanks are due to Mr. S. Swaminathan, Senior Research Scholar, Bombay Natural History Society, Mudumalai, for providing all the facilities and the timely help during the study period.

My hearty thanks to Mr. R. Arumugam, Research Associate, Center for Ecological Sciences, Indian Institute of Sciences, for spending his invaluable time for supervising and giving me critical ideas during my study period. I greatly thank him at this moment.

I am very much thankful to the former Professors and Head of the Zoology Department of the A.V.C. College Dr. R. Kanakasabai, and Mr. J. Krishnamoorthy for their constant encouragement throughout the course of this study period.
I wish to express my deep sense of gratitude to the Research Scholars Mr. A. Kumaraguru, Mr. R. Magesh, Mr. N. Noorullah and Mr. D. Boominathan for their helps during the field works.

I am acknowledging the scientists Dr. Lalitha Vijayan, Dr. P. Balasubramanian and Dr. S. Boopathy, at Salim Ali Center for Ornithology & Natural History with a deep sense of gratitude for their valuable suggestions and literary helps during the study period.

I express my gratitude to Elephant Doctor V. Krishnamoorthy, for his kind advice during the study. My sincere thanks are also due to Dr. R. Sukumar, Scientist, Center for Ecological Science, Indian Institute of Science, and Dr. Asad R. Rahmani, Director, Bombay Natural History Society, for allowing me to utilize the infrastructures at their field station in Mudumalai Wildlife Sanctuary. At I.I.Sc. Field Station my special thanks are also due to Mr. H.S. Dataraj, Research Associate, Mr. H.S. Suresh, Research Associate Mr. C. Arivazhagan, Research Assistant, Mr. Baraniah, Project Assistant, Mr. Mohan, Driver, Mr. Bomman, Cook for their help and hospitality whenever I visited their field station.

I express my deep sense of gratitude to the vehicle drivers Mr. Subramanian, Mr. Mayilswamy, Mr. Dhuraiswamy, Mr. Jayaraman, Mr. Rasaiyan, Mr. Kumar, Mr. Mani, Mr. Kannan, Mr. Santhosh, and Mr. Kennedy, for their patient co-operation and extensive helps during the study period.

My sincere thanks are also due to the rest house caretakers Mr. Balakrishnan, Mr. Paramasivam, Mr. Ismayil, Mr. Prabakaran and Mr. Krishnakutty.

I thank Mr. Bomman, Mr. Dhasan, Mr. Krishnan, Mr. Sivaji, Mr. Maran, Mr. Sithan and Mr. Pambu Pomman, who helped me in many ways in the field data collection, their assistance in the forest is highly remembered.

In this moment I thank the Forest Rangers Mr. C. Chellappan, Mr. Selvanayagam, Mr. Natarajan, Mr. Kesavan, Mr. Dhinesan, Mr. Padmanapan and Mr. Chandrasekaran for their kind support during the field work.

I am very much thankful to Mr. P.R. Mani, Livestock Inspector, Mudumalai Wildlife Sanctuary and their family members for their kind help during my stay in Mudumalai Wildlife Sanctuary.
With a deep sense of gratitude also due to the Maruthim Enterprises Proprietor Mr. S. Mukunthan for his unlimited help during computing and analyzing the data and also I am thanking Mr. Sargurunathan for his help during thesis preparation.

There is no apt word to express my sincere thanks to my parents Thiru K. Chandrodyam and Mrs. Lakshmi Chandrodyam and brothers Thiru K.C. Mariyappan and Thiru K.C. Pattabiraman, who were always a source of inspiration and encouragement and I owe a special word of indebtedness to them for endured my long absence of more than five years except a few sporadic visits to the home.

My last expression of gratitude is completely devoted to the Birds of Mudumalai for their kind co-operation to complete the field works successfully.
