ACKNOWLEDGEMENT

If I have today achieved this feat it is due to the guidance, counsel, contribution, analytical and constructive criticism that I have received from so many scholars, academicians, officials and friends. I am indebted to them all. Among these the foremost was Dr.G. Palanithurai, Prof & Head, Department of Political Science and Development Administration and my guide for this study. His encouragement, personal guidance, sound advice, good counsel and lot of good ideas have provided a good basis for the present thesis. With his enthusiasm, inspiration and his great effort to explain things very clearly and simply he helped me to understand the theories and complete this study successfully.

I also wish to acknowledge the contribution to this thesis by Dr.Lakshmi, Reader, Faculty of English and Foreign Languages, my co-guide. She was always friendly, pleasant and willing to go an extra mile to enhance the quality of this study. I am deeply grateful to her for her detailed and constructive comments and her continued support throughout the work.

I thank Thiru.K.Shanmugam, I.A.S., formerly Director of Rural Development, for granting me departmental permission to undertake this study. I also thank Thiru.K.Ashok Vardhan Shetty, I.A.S., Secretary, Rural Development and Panchayati Raj, Government of Tamil Nadu, and Thiru.Gagandeep Singh Bedi, I.A.S., Director of Rural Development and
Panchayati Raj, Tamil Nadu, for granting me sufficient leave to undertake this study.

I would like to acknowledge the support extended by the Government Officials and Women Panchayat Presidents of Tiruchirappalli District who readily cooperated during the data collection.

I would also like to acknowledge the support extended by Dr. M. A. Jeyaraju, Professor of English, by way of reading my thesis and giving suggestions to improve the structure and style.

I wish to express my warm and sincere thanks to Dr. Parthiban, for his valuable ideas.

I would like to acknowledge the support extended by the project team and the staff of the department, particularly Dr. G. Uma and Dr. M. Gurusamy.

Mr. S. P. Ramesh, helped me to shape the lengthy document. He was with me during the most strenuous period of editing and fine tuning of the thesis. I thank him for this.

I would like to thank my wife Asha Jennifer Singh, who supported me throughout the study apart from occasionally converting my scribbling into an electronic document and my children Joel, Monica and Michelle who, with their IT knowledge, helped me to locate the resources in the web.
