Acknowledgements

I am extremely thankful to my Research Guide, **Dr. Ashok Joshi**, Director, Indian Institute of Cost and Management Studies and Research (IndSearch), Pune, for his continuous guidance and valuable advice from time to time during the course of this thesis work. In fact, it is he who has inspired me to undertake this research keeping in view my interest in Strategic Cost Management tools.

I am thankful to **Dr. Rajani R Gupte**, Vice Chancellor, Symbiosis International University, for this opportunity to undertake this research study under “Symbiosis International University”

I am also thankful to the **Research Review Committee** of Symbiosis International University, more particularly, to **Dr. (Mrs.) Bhama Venkatramani**, Dean, Faculty of Management, Symbiosis International University, Pune for her valuable suggestions based on incisive observations during the course of open seminars for further enrichments of this research work.

My special thanks to all my directors who always encouraged me to undertake research work namely **Dr. Subhash Kulkarni, Dr. Bernadette D’Silva and Dr. Mohan Deshpande**.  
I am also thankful to all my Faculty Colleagues in **GNIMS, CIMR and IIBM** for their valuable support in completion of my research work.

**Dr. N. M. Vechalekar**, past & present colleagues in **WIR council** were also my source of information and encouragement.

I am also thankful to all Partners, Employees and Trainees of **Joshi Apte and Associates Mumbai and Pune Branch** for their all kinds of support. To name few of them CMA Mayur
Shingote, CMA Vijay Vishwakarma, Ashish Nerurkar, Nishingandha Salunke, Nikita Singh, Amol Lipankar and all others who helped and worked round the clock.

This study could not have been possible without behind the scene encouragement and understanding from my mother Smt. Namrata Thatte and wife Dr. Ashwini Thatte and all other family members including my 3 years old son Arnav and Anay who is born 2 months before this submission.

This research study has enriched me immensely and I enjoyed working on it with deep professional satisfaction.
