ACKNOWLEDGEMENT

I am so elated that I wish to keep on record my heartfelt thanks to Dr. N. Kamalamma, Professor, (Retd.), Department of Home Science, Gandhigram Rural University, Gandhigram, for her incessant and steadfast inspiration, laudable counseling, ingenious and illuminating suggestions, excellent guidance and timely encouragement, throughout the study, without which this thesis would not have been the beacon light in the path of my research.

I wish to place on record my sincere gratitude to Dr. P. Jeyachandran, Director, Vijay Human Services, Chennai and member of my doctoral committee for his valuable help, painstaking efforts and unflagging guidance in the thesis endeavor which is not possible without his valuable involvement.

I Place on record my gratitude to the Authorities of the University for permitting me to do this research work and further to the University Grants Commission, New Delhi, for providing financial assistance by the award of NET Junior Research Fellowship.

I express my heartfelt gratefulness to Dr. K. P. Vasantha Devi, Professor and Head, Department of Home Science, Gandhigram Rural University, Gandhigram, and all the staff members of the department for their constant support and encouragement throughout the study.

I am grateful to Dr. S. Karunanithi, Professor and Head, Department of Psychology, University of Madras-Chennai, Dr. M. A. Sudhir, Professor and Head, Department of Applied Research, Gandhigram Rural University, Gandhigram and Dr. C. Sivaprakasam, Department of Applied Research, Gandhigram Rural University, Gandhigram for their immense help and valuable suggestions, discussions and statistical support.
I extend my earnest thankfulness to Dr. S. Lakshmi, Reader, Faculty of English and Foreign Languages, Gandhigram Rural University, Gandhigram, for the review of manuscript.

I express my sincere gratitude to Dr. K. S. Pushpa, Reader, Department of Home Science, Gandhigram Rural University, Gandhigram, for her efforts, motivation, involvement and assistance in completion of my research work.

I am very much thankful to the Authorities of District Disability Rehabilitation Centre, and Sarva Shiksha Abhiyan-Inclusive Education for the Disabled (SSA-IED) of Ramanathapuram district for their cooperation to conduct the study. Further I extend my thanks to the staff members of NPRPD and the Special Educators of SSA-IED for their constant assistance and support to locate the respondents and to conduct the data collection.

I acknowledge the help rendered by the Librarians of Gandhigram Rural University, Gandhigram; Institute of Rehabilitation Science and Special Education, Holy Cross College, Tiruchirappalli; University of Madras, Chennai; National Institute for the Mentally Handicapped (NIMH), Secunderabad; National Institute for Mental Health and Neuro Sciences (NIMHANS), Bangalore and Vijay Human Services, Chennai for making available the facilities of their libraries for reference work.

I thank all others who have assisted me directly or indirectly to complete my research work and submit the dissertation in the present form.

(P. S. SWATHI)
