ACKNOWLEDGEMENTS

First and foremost I thank GOD for the wisdom and preserverence that he has been bestowed upon me throughout this research work.

Any formal expression of gratitude would be meaningless for my esteemed guide Dr. Y. Srinivas, Associate professor, Centre for GeoTechnology, Manonmaniam Sundaranar University, Tirunelveli, for his consistent guidance, persistent encouragement, commited support and extensive discussions on my research work.

I express profound gratitude to Dr. N. Chandrasekar, Professor and Head, Centre for GeoTechnology, Manonmaniam Sundaranar University, Tirunelveli, for his inspiration, whole hearted co-operation, valuable suggestions and for providing necessary facilities during the research work.

I would like to express my gratitude to Dr. A.K. Kumaraguru, Vice Chancellor, Manonmaniam Sundaranar University, Tirunelveli, for providing the research environment.

I would like to express my sincere thanks to my friend Dr. S. Saravanan, Technical Assistant, Centre for GeoTechnology, Manonmaniam Sundaranar University, Tirunelveli, for his support and continous encouragement till the end of this research.

I owe an important debt to Dr. D. Muthuraj, Associate Professor, Department of physics, M.D.T.Hindu College, Tirunelveli for initiating me to carryout this dignified research work.

I am thankful and fortunate enough to have Dr. A. Stanley Raj as my friend and colleague, who was always a great support in all my struggles and frustrations throughout my journey.
I am greatfully indebted to my comrade Mr. N.S. Magesh for his vital support at each juncture, which culminated in successful completion of my research work.

I am also deeply thankful to my fellow research scholars Prince S. Godson, V. Joe Vivek, V.K. Hridya, S. Krishna Kumar, M. Muthuselvi, S.S. Sreekala, T.B. Aghil, S. Kaliraj, S. Selvakumar, J.S. John Wilson, Nithya C. Nair and T. Simon Peter for their sincere cooperation and for providing a friendly atmosphere during the course of my work.

Furthermore, I acknowledge the help rendered by my friends J. Jaison, P. Rahul, R. Arul Kumar, Arun P. Jacob, S. Mohamed Ismail Yousuf, P. Sivagurunathan, M. Mathialagan, M. Kathiresan, T. Sujin, S. Muthukumar and D. Sateesh Kumar during the field work.

I would like to thank my uncle Dr. G. Isaac Arul Dhas, Assistant Professor, Scott Christian College, Nagercoil, for igniting the research idea in my mind.

Finally, I express my thanks to all my family members, especially to my aunt V. Amutha Stalin, my sisters D. Jimala, E. Irene Geshiya, S.S. Evelin Jesiba, E. Irene Selsiya and brothers S.S. Calvin Joe, M. Abish and to all my friends who support me with their helping hands, constant encouragement and prayers in completing the thesis work successfully.

(D. Hudson Oliver)
