It is with great pleasure, I like to express my deep sense of gratitude to Professor K.L. Bhatia for his inspiring guidance. His affectionate attitude has given me a sense of confidence and security. I am indebted to Professor E.S.R. Copal of Indian Institute of Science, Bangalore permitting me to use the facilities in his department and valuable discussions. I sincerely thank Dr. G.Parthasarathy for his help in performing experiments and encouragement.

I am thankful to Professor S.P. Singh, Head, Department of Physics, M.D. University, Rohtak for providing me with necessary research facilities in the department and also for his constant encouragement.

I sincerely thank
-All the teachers of the Physics Department, M.D. University, Rohtak for constant help and encouragement during these research investigations.
-Mrs. Bhatia for encouragement.
-Dr. S.C. Katyal, Dr. N. Kishore, Mr. Ashwani Sharma, Mr. V.K. Bhatnagar and S.K. Malik for their co-operation and help at different stages of this work.
-All the members of the technical staff of the department for their timely and able assistance.
-Mr. Jai Parkash for excellent typing.
-ix-

-DAE, DST and CSIR, Government of India for financial assistance.
