

## Acknowledgement

*It gives me immense pleasure to acknowledge a debt to a very special group of people, who have not only helped me enormously in my work, but also were delightful and stimulating companions. This dissertation would never have come into existence without the support and encouragement from all of them.*

*Words would be inadequate to express the magnanimous generosity of my dearest mentor Prof. K. O. Sastry, Head & Dean, Deptt. of Bio-Sciences, Maharshi Dayanand University, Rohtak, who has not only introduced me to the fascinating world of Toxicology but nurtured and molded me into an independent research worker. It is due to his incessant encouragement, depth of knowledge of science, patient steering me for bench work, patronage and unflinching interest in all my endeavors, kind and caring nature, that I feel the fabulous experience of work. I will always be indebted to salute such an eminent Professor and a complete human being, I have ever known. Thank you Sir.*

*I express my deep sense of gratitude to Dr. Krishna Gopal, Assistant Director & Head, Aquatic Toxicology Division, Industrial Toxicology Research Centre, Lucknow, for his scientific acumen in the advanced field of Toxicology, instinctive cooperation, keen interest, constructive attitude, everlasting moral support, encouragement and especially their motto *THE SHOW MUST GO ON* in all evens and odds encouraged me throughout to acquire the fabulous experience of the research work.*

*My earnest thanks are due to Dr. P. K. Seth, Director, Industrial Toxicology Research Centre, Lucknow, who has been not only provide me laboratory facilities but also a source of ever-ready help positive suggestions, scientific discussions, cooperative attitude and the working atmosphere, he maintained in Institute. His insight fullness gave me pleasure and a sense of belonging.*

*My sincere thank are owed to Honorable vice chancellor, M. D. University, Rohtak, for providing me all the facilities through, which possible for me to achieve desired targets during this research work.*

*I owe a deep sense of gratitude to Dr. Vineeta Shikula, Lecturer, Deptt. of Biosciences, Maharshi Dayanand University, Rohtak and Dr. (Mrs.) Swarn Lata,*

(senior technical officer) Aquatic Toxicology Division, IIRC, Lucknow, who were more than a teacher to me. They took keen interest, offered constructive criticism, everlasting moral support and encouragement during my research work. Their depth knowledge in the advanced field of science, instinctive cooperation whenever it was needed and constructive attitude appreciated. I also thank Mrs. Sastry and Mrs. Dubey for their constant encouragement support and affection.

I have been greatly influenced by my wonderful seniors Dr. Sheo Kumar, Dr. Shikha Vajpayee, Dr. Pratima Rathee, Dr. Rashmi Saxena and Dr. Prachi who have been great friends and in debt companions to me. I shall always cherish the memories of their critical suggestions, scientific discussions, cooperative attitude and the working atmosphere they maintained in laboratory. Their indispensable cooperation made it possible for me to achieve desired targets during this research work.

I am grateful to Dr. R. B. Raizada, Dr. A. K. Srivastav (Gorkhpur University), Dr. G. S. D. Gupta, Dr. Ajay Kumar (CMAP), Dr. S. P. Pathak, Dr. Sanjay Kumar, Dr. Virendra Mishra,, Mr. Pradeep Salve, Mr. Zahid Hussain (Rai Sahab), Mr. R. P. Sharma and Mr. Pyare Lal for their technical help and ever ready support. I appreciate the help of Dr. K. K. Gupta (Liason officer) who helped me to solve the problems. I acknowledge and extend my special thanks to Mr. Ram Lal and Kishan Lal for time to time cooperation and excellent photographic documentation of the results.

I am extremely thankful to Mr. Nokhe Lal, Mr. Rajesh Gupta, Mr. Shashi Kant Trivedi, Mr. Sanjay Gupta and Mr. Vinay Singh for their co-operation and ever ready help whenever needed. I really enjoyed seminars, discussions and time shared with them, which helped me to improve my knowledge in various fields of Biological Sciences.

I express my deep sense of gratitude to Prof. P. W. Ramteke and Dr. S. D. Pandey, (Sr. Technical Officer), IIRC, Lucknow for their scientific acumen, caring nature, everlasting moral support, encouragement, co-operation while solving unseen problems.

I deeply thank to Mr. J. P. Hooda, Mr. Naresh Kumar, Mr. Krishna Kumar, Mr. N. Dolendro Singh, Mr. Lingaraj Sahoo, Mr. Rizvi, Mr. N. K. Chadha, Mr. Rajni Kant, Mr. Manvender, Mr. Pankaj, Mrs. Sharda, Ms. Monika, Ms.

*Promila, Ms. Shalu and all other my colleagues and Staff, Deptt. of Biosciences, who extended me timely support and cooperation.*

*I gratefully acknowledge the encouragement and support of my wonderful and caring friends, Mr. K. K. Shukla, Umesh Jinwal, Umesh Shukla, Raju Gadpale, Shazaad, Deena Nath, Ajit Singh, Rohit, Pande ji, Mishra ji, Rathor ji and all hostlers, who extended me timely support and cooperation. I shall always cherish the memories of their critical suggestions, scientific discussions and cooperative attitude. Their indispensable cooperation made it possible for me to achieve desired targets during this research work. The "Golden Days and Nights" full of hard work, excitement and entertainment along with occasional trips shared with them well always are remembered.*

*The unflagging friendship, love, moral support and constant care extended by my well wishers and friends especially Mr. Naresh Kumar, Mr. Pradeep Kumar, Mr. Hari Dev ji, Sumit Dubey, Amit Dubey and Mr. Subhas Malik will always be a nostalgia for me. I sincerely thank my dearest Bhabhi ji, Sange and Rachna for extending everlasting love, care and moral support to me.*

*I express my deep sense of gratitude to my dearest uncle and aunty for their love, understanding, care, everlasting moral support, encouragement, cooperation and blessing, while solving unseen problems.*

*I deeply acknowledge my thanks and love to my nephews Golu, Monu, Sonu, Navin, Parmod and Vinod, who gave me great pleasure during fascinating mood.*

*Authors of all those research articles consulted though not named and Library, Envis and Information Center's members are gratefully acknowledged for their indirect guidance and encouragement during this work.*

*Words would be inadequate to express the infinite gratitude, I owe to my parent, family members and well wishers. It was only their love, restless efforts, understanding, care and blessing that encouraged me to academic per suits.*

*Financial support in the form of research fellowship from Council of Scientific and Industrial Research (CSIR), New Delhi, India is thankfully acknowledged.*

*Last but above all I "Salute" my Country and its innumerable martyrs who sacrificed their lives to achieve the Glorious Dream of 21<sup>st</sup> Century Independent India.*

*(SURESH KUMAR)*
