

LIST OF PUBLICATIONS

- Gulati A and Jaiwal PK, 1990. Culture conditions effecting plant regeneration from cotyledon explants of *Vigna radiata*. Plant Cell Tiss. Org. Cult. 23: 1-7.
- Do- 1992. *In-vitro* induction of multiple shoots from shoot tips of *Vigna radiata* (L.) Wilczek. Plant Cell Tiss. Org. Cult. 29: 199-205.
- Do- 1992. Comparative salt responses of callus cultures of *Vigna radiata* (L.) Wilczek to various osmotic and ionic stresses. J. Plant Physiol. (Proof corrected, in press).
- Do- 1992. Plant regeneration from cotyledonary node explants of mungbean (*Vigna radiata* (L.) Wilczek). Plant Cell Reports. (Revised).
- Do- 1992. Selection and characterization of mannitol-tolerant callus lines of *Vigna radiata* (L.) Wilczek. Plant Cell Tiss. Org. Cult. (Revised).
- Jaiwal PK and Gulati A, 1991. *In vitro* high frequency plant regeneration of a tree legume - *Tamarindus indica* L. Plant Cell Reports 10: 569-573
