ACKNOWLEDGEMENT

It is, indeed, a great privilege to express my sincere gratitude to my supervisors Professor R.C.D. Kaushik, Director, Technological Institute of Textiles, Bhiwani and Dr. P.K. Hari, Professor, Department of Textile Technology, Indian Institute of Technology, Delhi, for their guidance, encouragement and taking keen interest at each and every stage of this work without which it would not have been possible to carry out this work to its present stage.

I would like to thank Shri S.M.Vij, Weaving Manager, Hindon River Mills, Ghaziabad during the period of this research work, for his kind help in facilitating the arrangements required for this work.

Thanks are also due to Dr. S.M. Istiquah, Assistant Professor, Indian Institute of Technology, Delhi and Dr. J.K. Sharma, Assistant Professor, Technological Institute of Textiles, Bhiwani for useful discussions during the period of this research work. My thanks are also due to all the faculty members of the Textile Technology and Textile Chemistry Department for their help extended to me whenever needed.
I gratefully acknowledge the assistance rendered by Sarvshri Sudershans, Sashi, Sandeep, Ashish, Anil, Jagjit and Manoj in Spinning, Weaving, Testing and Photography. My thanks and appreciation to Shri Lekh Raj and Mr. Uthirajan, for typing the manuscript neatly, and Miss Anjana, Abhilasha, Nidhi and Mr. Ajay, for drawing the figures with care and patience.

I feel highly obliged to my affectionate Bhai Parmashwar, sisters and relatives, who supported me throughout my studies. Finally I appreciate the understanding and patience of my wife Shakun and my son Ajay, who contributed indirectly, but nevertheless very significantly, to the completion of this work.

( I.C. Sharma)
