ACKNOWLEDGEMENTS

The writing of this doctoral thesis "Physical Education as a Career of Women : A Socio-Demographic Study of Haryana" has been one of the most significant academic challenges I have ever had to face. Without the support, patience and guidance of the following people, this study would not have been completed. It is to them I owe my deepest and sincerest gratitude.

- I feel proud and privileged to express my deep feelings of gratitude and indebtedness to My Supervisor Dr. Kewal Krishan, Associate Professor, Department of Physical Education, Maharshi Dayanand University, Rohtak for his pain taking supervision, constructive criticism, constant encouragement and affectionate guidance and understanding during the course of this study. Without his intelligent supervision the present study could not have been a success. I surely consider it as a privilege to have had such an excellent and responsible supervisor.

- I am extremely thankful to Dr. (Mrs.) Indira Dhull, Head, Department of Physical Education for providing me all necessary facilities from the department as well as far her encouragement for better performance.

- I am also obliged to Prof. (Dr.) S.S. Chahar, Head, Deptt. of Public Administration, M.D. University, Rohtak for his valuable suggestions to explore the research work.

- I am extremely thankful to Dr. Narender Garg, Director of Distance Education and Head of Community Department and Dr. (Mrs.) Anjane Gark, Assistant Professor of Public Administration for their constant encouragement and needful suggestions.

- My sincere thanks to all the Associate Professors in Department of Physical Education and Administrative Staff for their generous help and guidance.

- I am thankful to Dr. Krishana Chaudhary, Principal and Dr. Radhika Kamal, H.O.D. in Physical Education Department, M.K.J.K. College, Rohtak Director of Distance Education and Head of Community Department and Dr. (Mrs.) Anjane Gark, Assistant Professor of Public Administration for their constant encouragement and needful suggestions.
The library staff, the library facilities and computer facilities of the M.K.J.K. College, Rohtak, M.D. University, Rohtak, Kurukshetra University, Kurukshetra and Punjab University, Chandigarh. The support and assistance provided have been indispensable.

No words can adequately express my gratitude to my family. For my genesis, I am indebted to my mother Smt. Bimla Devi and my father Sh. Kure Ram Singh. Their steadfast support and endurance have helped me immensely. The give me the financial assistance as ANNADATA. I must convey my deepest affection and appreciation to my daughter Sameeksha and son Daksh in bringing me at the apex. My appreciation for cooperation, motivation and encouragement of my younger sisters Geeta and Sikha. I bow with a gesture of thanks to my husband Mr. Manoj Kadian who is a constant source of inspiration, motivation encouragement and love.

I am grateful to Mr. Sanjay, Vijay Electrostat & Computer, Medical More, Rohtak for his constant and valuable efforts to make this work into this shape.

Last, I extend my grateful thanks to all who directly and indirectly helped me in completion of this study.

(Meenakshi)
