I take this opportunity to express my sincere thanks to all those who helped me either directly or indirectly in conducting research on Demographic Dimension of Quality of Life in an Urban Setting: A Case Study of Bohtak City.

First of all, I wish to express my deep sense of gratitude to my learned guide and supervisor, Dr. B.B. Bhagat, Senior Lecturer, Dept. of Geography, Maharshi Dayanand University, Bohtak for this constant guidance, continuous encouragement and valuable comments in the course of the study. I cannot adequately express in words my feelings of gratitude for his invaluable help and guidance without which it would have been very difficult to complete this work.

I am thankful to Dr. S.H. Ansari, Head of the Dept. for his support and co-operation.

Thanks are due to Dr. M. J. Hassan, Senior Lecturer and Dr. K. M. Chamar, Lecturer, Dept. of Geography, M. D. University, and Dr. H. P. Batnco, Senior Lecturer, Dept. of Economics, M. D. University, Bohtak for their fruitful suggestions in my pre-Ph. D. seminar.

I am extremely grateful to Dr. Amar Singh, Reader in the Dept. of History, Maharshi Dayanad University, Bohtak, for his valuable suggestions and critical comments which helped me to develop and shape the present research work.

Acknowledgement
It is difficult to mention all those respondents included in this study who generously spared time to provide me the information about them. I am thankful to the officials of the library of M.D. University, who made all possible endeavours to help me whenever I required their services.

My sincere thanks are due to the Staff members of House Tax Branch, Municipal Committee, Bohtak, for their co-operation in data collection. I am also obliged to the staff of Birth and Death Registration Branch, Bohtak for their help in data collection regarding the death rate of Bohtak City.

I express my profound sense of indebtedness to my family members, particularly my mother and brother, Sh. Ishwar Sharma who inspired me to bring out this present research work seriously and sincerely, Mr. Angesh and Satyan of Mustak Computer Centre, Bohtak deserve appreciation for excellent typing and regular work to bring out this thesis in time. However, the responsibilities for any shortcoming is entirely mine.
