ACKNOWLEDGMENT

I am deeply indebted to my guide Professor K.B. Deshpande, M.Sc.(Osmania), Ph.D.(London), D.I.C., Head of the Botany Department, Marathwada University, Aurangabad, for his valuable guidance and keen interest shown in this work.

My grateful thanks are due to Shri. B.R. Ganjwe, Secretary, Nanded Education Society, Nanded, for facilities provided in the College.

I am also thankful to Dr. K.S. Deshpande for numerous suggestions made throughout the progress of work.

The author also wishes to thank his colleagues and friends Dr. D.S. Deshpande, Dr. R.M. Pai, Shri. V. Vithalachar, Mrs. R. Keshavan, Dr. D.V. Deso, Shri. N.K. Dharasurkar, Shri. B.N. Pande, Shri. S.N. Kulkarni, Shri. V.A. Choudhary, Shri. Karam Singh, Shri. S.S. Wadje, and Mrs. Tara Manghanani and others for their help in various ways.

B.R. KESHAVAN
