LIST OF TABLES

Table No……Title……………………………………………………………………………Page No.

Table 1.1.1 Summarization of Theories on Job Satisfaction …………………….15
Table 1.1.2 Correlates of Job Satisfaction as in Review of Indian Researchers………20
Table 1.1.3: Correlates of Job Satisfaction as in Review of International Researchers….21

Table 2.1.1.1 Studies of Job Satisfaction with Other Variables Conducted
At College/ University Level …………………………………………………………………….48
Table 2.1.1.3 Studies of Job Satisfaction with Other Variables Conducted at
School Level ………………………………………………………………………………………57
Table 2.1.2.1 Studies of Job Satisfaction with Other Variables Conducted
At College/ University Level …………………………………………………………………....67
Table 2.1.2.3 Studies Related to Job Satisfaction Conducted at School Level………75

Table 3.1: Selected Sampling Units of Govt. Aided Institutions ……………………95
Table 3.2: Selected Sampling Units of Self Financed Institutions ……………………96
Table 3.3: Placement of Items in Different Sub Scales of JSCS …………………102
Table 3.4: Scoring Pattern for Different Responses …………………………………102
Table 3.5: Index of Reliability of JSCS …………………………………………………103
Table 3.6: Alpha Coefficients of Different Sub Scales of JSCS…………………104
Table 3.6: Correlation Coefficients of Total Scores with Scores of Different
Sub Scales of TJSS ……………………………………………………………………………105
Table 3.7: Index of validity of JSCS …………………………………………………….105
Table 3.8: Statistics of Norms ……………………………………………………………106
Table 4.1: Descriptive Statistics of Scores of College Teachers on TJSS ..........................112

Table 4.2.1 M, SD and t-value of scores of teachers teaching in Self Financing and Government Aided Institutions on JCQS .................................113

Table 4.3.1.1: Biserial Correlation Coefficient in Job Satisfaction of College Teachers and Age.................................................................115

Table 4.3.2.1: Point Biserial Correlation Coefficient in Job Satisfaction of College Teachers and Gender .........................................................115

Table 4.3.3.1: Point Biserial Correlation Coefficient in Job Satisfaction of College Teachers and Marital Status .................................................116

Table 4.3.4.1: Point Biserial Correlation Coefficient in Job Satisfaction of college teachers and Educational Qualification .............................117

Table 4.3.5.1: Biserial Correlation Coefficient in Job Satisfaction of college teachers and Experience .............................................................118

Table 4.3.6.1: Pearson’s Correlation Coefficient in Job Satisfaction and Work Load ...119

Table 4.3.7.1: Pearson’s Correlation Coefficient in Job Satisfaction and Work Conflict .........................................................................................119

Table 4.3.8.1: Pearson’s Correlation Coefficient in Job Satisfaction and Job Involvement ..............................................................................120

Table 4.3.9.1: Pearson’s Correlation Coefficient in Job Satisfaction and Supervision ...121

Table 4.3.10.1: Pearson’s Correlation Coefficient in Job Satisfaction and Management Policies .................................................................122

Table 4.3.11.1: Pearson’s Correlation Coefficient in Job Satisfaction and Inter Personal Relationship ..............................................................122

Table 4.3.12.1: Pearson’s Correlation Coefficient in Job Satisfaction and Academic Facilities .................................................................123
Table 4.3.13.1: Pearson’s Correlation Coefficient in Job Satisfaction and Infrastructural Facilities .........................................................124
Table 4.3.14.1: Pearson’s Correlation Coefficient in Job Satisfaction and Teaching Itself .................................................................125
Table 4.3.15.1: Pearson’s Correlation Coefficient in Job Satisfaction and Salary ......125
Table 4.4.1: Summary of the Multiple Regression Analysis for the Total Sample …127
Table 4.4.2 Summary of the Multiple Regression Analysis for the Total Sample for Significant Predictor Variables .................................129
Table 4.4.3 Summary of the Multiple Regression Analysis of the total sample for significant predictor variables ...........................................130
Table 4.4.4: The Independent Contributory Role of Predictive Variables in Determining Job Satisfaction of College Teachers .........................132
Table 4.5.1 Showing F-Value of GAI and SFI teachers on Job Satisfaction and Educational Qualifications .................................................133
Table 4.5.2: Job Satisfaction of GAI and SFI teachers between Groups based on Educational Qualifications ..............................................134
Table 4.5.3 Showing F-Value of GAI and SFI teachers on Job Satisfaction and Experience ..............................................................136
Table 4.5.4: Job Satisfaction of GAI and SFI teachers between Groups based on Experience .............................................................137
Table 4.5.5: M, SD and t-value of scores of SFI and GAI teachers on Job Involvement ..............................................................................138
Table 4.5.6 M, SD and t-value of scores of SFI and GAI teachers on Supervision ...139
Table 4.5.7 M, SD and t-value of scores of GAI and SFI teachers on Management Policies ......................................................................140
Table 4.5.8:  M, SD and t-value of scores of SFI and GAI teachers on Inter Personal Relations .................................141

Table 4.5.9  M, SD and t-value of scores of SFI and GAI teachers on Teaching Itself .................................................................141

Table 4.6.1:  Summary of the Accepted and Rejected Hypotheses ......................142
